EXPLANATORY NOTE

(This Note is not part of the Order, but is intended to indicate its general purport.)

This Order supersedes the Linoleum and Printed Felt Base (Maximum Prices and Charges) Order, 1950, as amended.

The principal changes are as follows:—

(1) manufacturers' maximum prices are increased;

(2) maximum prices are now specified for some additional types of linoleum on felt base;

(3) wholesalers' and retailers' maximum prices for linoleum other than imported linoleum are now the maximum prices specified in the First Schedule; formerly wholesalers' and retailers' maximum prices for these goods were fixed by reference to the purchase price and the appropriate margin, retailers' maximum prices being also in most cases subject to overriding maximum prices; the retailers' maximum prices now specified are higher than the corresponding overriding maximum prices formerly specified; and

(4) charges for laying linoleum and for supplying packing centres are no longer controlled.
