EXPLANATORY NOTE

(This Note is not part of the Order, but is intended to indicate its general purport.)

This Order revokes the Orders named in the Third Schedule and re-enacts certain of their provisions.

It prohibits the holding of poultry shows and of sales of store poultry in the area specified in the First Schedule, and also restricts sales of poultry intended for immediate slaughter and the movement of poultry (including day-old chicks) into, within and out of that area. In the remainder of England and in Wales the holding of sales of store poultry and of poultry intended for immediate slaughter is permitted under licence. The movement of poultry from premises on to which there has been a movement of poultry during the previous 28 days and also the movement of poultry (including day-old chicks) and hatching eggs from any other part of Great Britain into Scotland and the Isles of Scilly is prohibited. The Order contains provisions that apply to the whole of Great Britain, relating to the keeping of records, the cleanliness of poultry crates and the consignment of poultry to railway stations.

EXPLANATORY NOTE

(This Note is not part of the Order, but is intended to indicate its general purport.)

Part II of the Live Poultry (Restrictions) Order, 1952, prohibited the holding of poultry shows and of sales of store poultry in those parts of Lancashire specified in its First Schedule. It also restricted sales of poultry intended for immediate slaughter and the movement of poultry (including day-old chicks) into, within and out of the specified area. This Order removes these restrictions and applies instead the provisions of the Order permitting the holding under licence of sales of store poultry and of poultry intended for immediate slaughter and also the other provisions regulating the movement of poultry contained in Part I of the Order.
