EXPLANATORY NOTE

(This Note is not part of the Regulations, but is intended to indicate their general purport.)

Under the Local Education Authorities Recoupment (Further Education) Regulations, 1954, a pupil in receipt of a grant from one local education authority for a course of further education who moves during the course to the area of another authority is deemed to remain within the area of the former authority for the purpose of recoupment arrangements. This amending Regulation provides that the payment to a student of travelling expenses only shall not be regarded as grant for this purpose.
