And whereas by a Provisional Order dated the Eighth day of February, One thousand eight hundred and sixty-five, which was duly confirmed by the Local Government Supplemental Act, 1865, the Local Board were enabled to borrow a sum of money which, together with a debt of fifty-seven thousand pounds then incurred by the Local Board under the Local Act and the Sanitary Acts, and remaining unpaid, should not exceed in the whole two years assessable value of their District; and doubts have been entertained whether the borrowing powers of the Local Board under the Public Health Act, 1875, are not restricted by the operation of such Provisional Order;

And whereas by Section 303 of the Public Health Act, 1875, the Local Government Board are empowered, on the application of the Sanitary Authority of any Sanitary District, by Provisional Order, wholly or partially to repeal, alter, or amend any Local Act, other than an Act for the conservancy of rivers, which is in force in any area comprising the whole or part of any such District, and not conferring powers or privileges on any persons or person for their or his own pecuniary benefit, which relates to the same subject-matters as the Public Health Act, 1875;

And whereas the Local Act is a Local Act within the meaning of the above-recited section of the Public Health Act, 1875, and the Local Board have applied to the Local Government Board to issue a Provisional Order to alter and amend the same as herein-after mentioned;

And whereas, upon receipt of the said application, the Local Government Board directed Local Inquiry to be held on the subject thereof, and such Inquiry was held, after due public notice, and report has been made to them thereon:

Now therefore, We, the Local Government Board, in pursuance of the powers given to Us by the Statutes in that behalf, do hereby Order that, from and after the date of the Act of Parliament confirming this Order (herein-after

Torquay Order.

referred to as "the commencement of this Order"), the following provisions shall take effect; viz.:—

Art. 1. Section 4 of the Local Act shall be altered so as to include the Parish of Cockington, in the County of Devon, within the limits in which the Local Act may be put in force for the supply of water, in addition to the Towns and Parishes therein mentioned.

Art. 2. The provisions of the Local Act as regards works to be done and rates and rents to be charged within the Towns and Parishes mentioned in Section 4 of the Local Act which are not included in the District, shall apply as regards works to be done and rates and rent to be charged within the said Parish of Cockington.

Art. 3. Section 53 of the Local Act shall be altered and amended so as to enable the said Local Board, subject to the sanction of the Local Government Board, to borrow, under the provisions thereof, any sum or sums not exceeding in the whole twenty thousand pounds, in addition to the sum of fifty thousand pounds therein mentioned.

Provided that, notwithstanding anything in the above-mentioned Provisional Order of the Eighth day of February, One thousand eight hundred and sixty-five, contained, any sums which the Local Board may have borrowed under the Local Act, or may borrow under the Local Act as hereby altered and amended, shall not be reckoned in calculating the amount which they may borrow under the Public Health Act, 1875.

Art. 4. Sections 54, 55, and 56 of the Local Act shall not be applicable to any sums which, after the commencement of this Order, may be borrowed under Section 53 as hereby altered and amended, but the provisions of Sub-sections (1), (4), and (5) of Section 234, and of Sections 236, 237, 238, and 239 of the Public Health Act, 1875, shall apply to the borrowing and repayment of such sums as if they were borrowed under the provisions of that Act and not of the Local Act.

Art. 5. The Local Board may from time to time, with the sanction of the Local Government Board, re-borrow for the repayment of the moneys borrowed after the commencement of this Order, under Section 53 of the Local Act as hereby altered.

Provided that any money so re-borrowed shall be repaid within the period within which the original loan in respect of which such money is re-borrowed would have been required to be repaid; and further, that no such re-borrowing shall affect the obligation of the Local Board with respect to any Sinking Fund to be set aside, nor unless the re-borrowing be effected at a different rate of interest, the amount of any instalment to be paid under the provisions of this Order.

Art. 6. The Local Act shall be further altered, and shall provide that—

(*a*) The Treasurer of the Local Board shall, within twenty-one days after the expiration of each year during which any sum is required to be paid as an instalment, or to be set apart for a sinking fund, in respect

of moneys borrowed after the commencement of this Order, under the provisions of the Local Act as hereby altered and amended, or in respect of moneys re-borrowed for the repayment of moneys so borrowed, transmit to the Local Government Board a return, in such form as may be prescribed by that Board, and verified by statutory declaration, if so required by them, showing the amounts which have been paid as instalments, and the amounts which have been invested or applied for the purposes of such sinking fund, during the year next preceding the making of such return, and the description of the securities upon which any investment has been made, and the purposes to which any portion of the sinking fund or investment, or of the sums accumulated by way of interest, has been applied during the same period, and the total amount (if any) remaining invested at the end of the year.

(*b*) If it appears to the Local Government Board, by that return or otherwise, that the Local Board have failed to pay any instalment required to be paid, or to set apart any sum required for any sinking fund, or have applied any portion of the money set apart for any sinking fund, or of the sums accumulated by way of interest, to any purposes other than those authorised, they may, by Order, direct that a sum not exceeding double the amount in respect of which default has been made shall be paid by way of instalment, or be set apart and invested, or applied as part of the sinking fund; and any such Order shall be enforceable by writ of Mandamus to be obtained by the Local Government Board out of Her Majesty's High Court of Justice.
