Provisional Order for altering the Bethesda Improvement Act, 1854.

To the Bethesda Improvement Commissioners, being the Sanitary Authority for the Urban Sanitary District of Bethesda, in the County of Carnarvon ;—

And to all others whom it may concern.

WHEREAS under the provisions of a Local Act of Parliament, intituled "The Bethesda Improvement Act, 1854" (herein-after called "the Local Act"), certain Commissioners were appointed and incorporated under the name of the Bethesda Improvement Commissioners, to execute that Act within the District therein defined ;

And whereas the said District is an Urban Sanitary District, of which the said Commissioners (herein-after called "the Commissioners") are the Urban Sanitary Authority ;

And whereas by Section 54 of the Local Act the Commissioners were empowered to borrow on mortgage of the gas rate, rents, or payment for gas authorised to be levied under the Local Act, and of the gasworks, and the land, apparatus, mains, pipes, machinery, and other things belonging thereto, constructed or purchased by the Commissioners, in pursuance of the Local Act, any sum not exceeding three thousand pounds ;

A.D. 1879.

Bethesda Order.

And whereas by Section 57 of the Local Act, it is provided that in order to discharge the principal money to be borrowed on the security of the rates thereby authorised to be raised, the Commissioners shall in every year pay off not less than one-thirtieth part of any principal sum so borrowed: Provided always, that it shall be lawful for the Commissioners, if they shall see fit, in lieu of making such annual payment as aforesaid, to set apart and appropriate in each year out of the said rates respectively, as a sinking fund to be applied in paying off the principal moneys which shall have been borrowed on mortgage of such rates respectively, a sum equal to one-thirtieth part of the moneys from time to time borrowed or secured thereon respectively;

And whereas under the aforesaid powers of borrowing conferred by Section 54 of the Local Act, the Commissioners have borrowed sums amounting to two thousand and fifty pounds, of which they have repaid sums amounting to eight hundred and fifty pounds, leaving a sum of one thousand two hundred pounds still owing of the money so borrowed as aforesaid;

And whereas by Section 303 of the Public Health Act, 1875, the Local Government Board are empowered, on the application of the Sanitary Authority of any Sanitary District, by Provisional Order, wholly or partially to repeal, alter, or amend any Local Act, other than an Act for the conservancy of rivers, which is in force in any area comprising the whole or part of any such District, and not conferring powers or privileges on any persons or person for their or his own pecuniary benefit, which relates to the same subject-matters as the Public Health Act, 1875;

And whereas the Local Act is a Local Act within the meaning of the above-recited section of the Public Health Act, 1875, and the Commissioners, as such Urban Sanitary Authority as aforesaid, have applied to the Local Government Board to alter and amend the Local Act, as herein-after mentioned;

And whereas the Local Government Board, on receipt of such application, directed Local Inquiry to be held on the subject, which inquiry was held, after due public notice, and report has been made to them thereon:

Now therefore, We, the Local Government Board, in pursuance of the powers given to Us by the Statutes in that behalf, do hereby Order that, from and after the date of the Act of Parliament confirming this Order, the following provisions shall take effect, viz.:

Art. 1. Section 57 of the Local Act shall be altered and amended so as to provide that in order to discharge the said sum of one thousand two hundred pounds, so owing as herein-before is recited, the Commissioners shall, until the whole of that sum is discharged, annually pay off or set aside and appropriate as a sinking fund, in manner provided by the Local Act, an amount not less than sixty pounds, in lieu of the amounts which they would otherwise have been required by that section to pay off or set apart and appropriate as a sinking fund in respect of the said sum of one thousand two hundred pounds.

Art. 2. The Commissioners may at any time re-borrow the whole or any part of the said sum of one thousand two hundred pounds on mortgage of the gas rates and other securities, on mortgage of which the said sum of one thousand

two hundred pounds might originally have been borrowed under Section 54 of the Local Act.

Provided that the Commissioners shall not re-borrow any part thereof which shall at any time have been discharged by means of the annual payments or sinking fund by this Order required to be made and set apart, and that such re-borrowing shall not in any way affect or diminish any obligation of the Commissioners with respect to such annual payments and sinking fund.

Art. 3. The Local Act shall be further altered, and shall provide as follows:

(*a*) The Clerk to the Commissioners shall, within twenty-one days after the expiration of each year during which any sum is by this Order required to be paid, or to be set apart for a sinking fund, in respect of the said sum of one thousand two hundred pounds, or in respect of moneys re-borrowed for the repayment of the whole or any part of such sum, transmit to the Local Government Board a return in such form as may be prescribed by that Board, and verified by statutory declaration, if so required by them, showing the amounts which have been paid, and the amounts which have been invested or applied for the purposes of such sinking fund during the year next preceding the making of such return, and the description of the securities upon which any investment has been made, and the purposes to which any portion of the sinking fund or investment, or of the sums accumulated by way of interest, has been applied during the same period, and the total amounts (if any) remaining invested at the end of the year.

(*b*) If it appears to the Local Government Board, by that return or otherwise, that the Commissioners have failed to pay or to set apart any sum required to be paid or to be set apart as a sinking fund under this Order, or have applied any portion of the money set apart for such sinking fund, or of the sums accumulated by way of interest, to any purposes other than those authorised, they may, by Order, direct that a sum not exceeding double the amount in respect of which default has been made shall be paid by way of instalment, or be set apart and invested or applied as part of the sinking fund; and any such Order shall be enforceable by writ of Mandamus to be obtained by the Local Government Board out of Her Majesty's High Court of Justice.

BOROUGH OF BRECKNOCK.

A.D. 1879.

Brecknock Order.

Provisional Order for altering a Confirming Act.

To the Mayor, Aldermen, and Burgesses of the Borough of Brecknock, in the County of Brecknock, being the Urban Sanitary Authority for the Urban Sanitary District of Brecknock;—

And to all others whom it may concern.

WHEREAS under the provisions of a Local Act of Parliament passed in the sixteenth year of the reign of His late Majesty King George the Third, intituled "An Act for supplying the Borough and Town of Brecknock and "Liberties thereof with Water; and for paving, cleansing, regulating, and "lighting the Streets, Lanes, and publick Passages there; and for widening "and making commodious some of the said Streets, Lanes, and Passages," (which Act is herein-after referred to as "the Local Act,") certain Commissioners (herein-after referred to as "the Commissioners") were appointed for putting the Local Act into execution;

And whereas the Commissioners were thereby authorised to borrow certain sums of money for defraying the expenses of executing the Local Act, but no period was prescribed by the Local Act for the repayment of the sums so to be borrowed;

And whereas by a Provisional Order of the General Board of Health dated the Fourth day of May, One thousand eight hundred and fifty, and duly confirmed by the Public Health Supplemental Act, 1850, which Order is herein-after referred to as "the Provisional Order," and which Act is herein-after referred to as "the Confirming Act," the Mayor, Aldermen, and Councillors of the borough of Brecknock were declared to be the Local Board of Health under the Public Health Act, 1848, for the district constituted by the Provisional Order (herein-after referred to as "the Urban Sanitary District"); and such of the powers, authorities, and duties of the Commissioners as were granted or imposed by so much of the Local Act as was not repealed by the Provisional Order were transferred to the said Mayor, Aldermen, and Councillors, (herein-after referred to as "the Urban Sanitary Authority,") so far as the same were not repugnant to or inconsistent with the Public Health Act, 1848, or the Provisional Order;

And whereas it was provided by the Provisional Order that all bonds, mortgages, annuities, contracts, debts, moneys, and securities for money made, given, contracted, or payable by the Commissioners should be paid and satisfied by the Urban Sanitary Authority out of such parts of the property and estate thereby transferred to them as would or ought to have been charged or chargeable in respect of the same if the Provisional Order had not been made, but that if such property and estate were insufficient for that purpose, the deficiency should be paid and satisfied by the Urban Sanitary Authority out of the general district rates levied under the Public Health Act, 1848, in the parts or places which would or ought to have been chargeable with such deficiency if the Provisional Order had not been made;

A.D. 1879.

Brecknock Order.

And whereas such parts and places consisted of the parishes of St. John the Evangelist (Brecknock) and St. Mary (Brecknock) ;

And whereas by Section 297 of the Public Health Act, 1875, it is enacted that any Act confirming any Provisional Order made in pursuance of any of the Sanitary Acts, or of that Act, may be repealed, altered, or amended by any Provisional Order made by the Local Government Board, and confirmed by Parliament ;

And whereas it has been proposed that the Confirming Act, so far as it relates to the Provisional Order, should be altered as herein-after mentioned ;

And whereas the Local Government Board directed Local Inquiry to be held on the subject of the proposed alteration of the Confirming Act, which Inquiry was held after due public notice, and report has been made to them thereon ;

Now therefore, We, the Local Government Board, in pursuance of the powers given to Us by the several Statutes in that behalf, do hereby Order that, from and after the date of the Act of Parliament confirming this Order, herein-after referred to as "the commencement of this Order," the following provisions shall take effect ; viz.,

Art. 1. The Confirming Act, so far as it relates to the Provisional Order, shall be altered so as to enable the Urban Sanitary Authority, with the sanction of the Local Government Board, to borrow and re-borrow on the security of a general district rate to be separately assessed and levied in the parishes of St. John the Evangelist (Brecknock) and St. Mary (Brecknock), in the Urban Sanitary District, such sum or sums, not exceeding three thousand four hundred and eighty-five pounds, as may be necessary to pay and satisfy such of the debts and liabilities of the Commissioners, transferred to the Urban Sanitary Authority by the Provisional Order, as shall be outstanding at the commencement of this Order, and as were incurred or purported to be incurred under the Local Act.

Art. 2. The provisions of Sub-sections (4) and (5) of Section 234 and Sections 236 to 239, both inclusive, of the Public Health Act, 1875, shall apply to all moneys borrowed or re-borrowed under this Order ,

Provided that all moneys borrowed under this Order shall be repaid within such period, not exceeding fifty years from the borrowing thereof, as the Urban Sanitary Authority, with the sanction of the Local Government Board, may determine.

Art. 3. The Confirming Act, so far as it relates to the Provisional Order, shall be further altered, so as to provide that—

(*a.*) The Treasurer of the Borough shall, within twenty-one days after the expiration of each year during which any sum is required to be paid as an instalment, or to be set apart for a sinking fund, in respect of moneys borrowed under this Order, or in respect of moneys re-borrowed for the repayment of moneys so borrowed, transmit to the Local Government Board a return, in such form as may be prescribed by that Board, and verified by statutory declaration, if so required by them, showing the amounts which have been paid

as instalments, and the amounts which have been invested or applied for the purposes of such sinking fund during the year next preceding the making of such return, and the description of the securities upon which any investment has been made, and the purposes to which any portion of the sinking fund or investment, or of the sums accumulated by way of interest, has been applied during the same period, and the total amounts (if any) remaining invested at the end of the year.

(*b.*) If it appears to the Local Government Board, by that return or otherwise, that the Urban Sanitary Authority have failed to pay any instalment required to be paid, or to set apart any sum required for any sinking fund, or have applied any portion of the money set apart for any sinking fund, or of the sums accumulated by way of interest, to any purposes other than those authorised, they may, by Order, direct that a sum not exceeding double the amount in respect of which default has been made shall be paid by way of instalment, or be set apart and invested or applied as part of the sinking fund; and any such Order shall be enforceable by writ of Mandamus to be obtained by the Local Government Board out of Her Majesty's High Court of Justice.

BOROUGH OF DONCASTER.

Doncaster Order.

Provisional Order for altering the Doncaster Corporation Waterworks Act, 1873.

To the Mayor, Aldermen, and Burgesses of the Borough of Doncaster, in the West Riding of the County of York, being the Urban Sanitary Authority for that Borough;—

And to all others whom it may concern.

WHEREAS the Borough of Doncaster, in the West Riding of the County of York, is an Urban Sanitary District, of which the Mayor, Aldermen, and Burgesses, acting by the Council (herein-after referred to as "the Corporation"), are the Urban Sanitary Authority, and the Doncaster Corporation Waterworks Act, 1873 (herein-after called "the Local Act"), is in force in the said District;

And whereas by Section 2 of the Local Act, Section 61 of the Waterworks Clauses Act, 1847, is (inter alia) incorporated with the Local Act;

And whereas by Section 4 of the Local Act it is enacted that the limits of that Act shall be the Borough and the rest of the Parish of Doncaster, and the Parishes, Townships, and Places of Conisborough, Warmsworth, and Balby-with-Hexthorpe in the neighbourhood of the Borough, but that until a sufficient supply of water is obtained for the Borough from the works authorised by that Act, the Corporation shall not be bound to supply water beyond the Borough; and that the Corporation shall not at any time supply water beyond the Borough so as to interfere with the proper supply of water for domestic purposes within the Borough;

And whereas by Section 7 of the Local Act the Corporation are authorised, subject to the provisions of that Act, to make and maintain the reservoirs, conduits, lines of pipes, and other works mentioned in that section, to enter on, take, or use such of the lands described in the deposited plans and book of reference referred to in the Local Act as they require for those purposes, and to take, use, get, and appropriate, for the purposes of their waterworks undertaking, all springs, streams, and waters intercepted by any of those works, and all springs, streams, and waters found in, on, or under any of those lands;

And whereas by Section 11 of the Local Act it is enacted that if any work shown on the deposited plans is not completed within five years from the passing of the Local Act, then on the expiration of that period the powers granted by the Local Act to the Corporation for executing the same, or otherwise in relation thereto, shall cease to be exercised, except as to so much thereof as is then completed; but that nothing in that section shall restrict the Corporation from extending, enlarging, altering, or removing any of their engines, machinery, mains, or pipes, or improving their supply of water at any time and from time to time as occasion requires, subject to the provisions of the Local Act;

And whereas by Section 35 of the Local Act the Corporation are empowered to demand and take for a supply of water for domestic purposes within the Borough of Doncaster such water-rents as they think fit, not exceeding those specified in the Schedule to the Local Act (which Schedule and the regulations therein contained are to be deemed part of the Local Act); and for a supply of

water beyond the Borough one-fourth more than the water-rents for the time being taken within the Borough;

And whereas by Section 37 of the Local Act the Corporation are empowered, with the sanction of the Local Government Board, from time to time, in addition to any money which they are authorised to borrow independently of that section, to borrow at interest, from time to time, on the credit of their receipts from water-rents and other receipts under the Local Act, and of the Borough Fund, any money required by them for the purposes of the works authorised by the Local Act, and the other purposes of the Local Act, not exceeding in the whole eighty-five thousand pounds, and to mortgage their receipts from water-rents and other receipts under the Local Act and the Borough Fund to secure the repayment thereof, with interest, accordingly;

And whereas by Section 303 of the Public Health Act, 1875, the Local Government Board are empowered, on the application of the Sanitary Authority of any Sanitary District, by Provisional Order, wholly or partially to repeal, alter, or amend any Local Act, other than an Act for the conservancy of rivers, which is in force in any area comprising the whole or part of any such District, and not conferring powers or privileges on any persons or person for their or his own pecuniary benefit, which relates to the same subject-matters as the Public Health Act, 1875;

And whereas the Local Act is a Local Act within the meaning of the above-recited section of the Public Health Act, 1875, and the Corporation, as the Urban Sanitary Authority, have applied to the Local Government Board to issue a Provisional Order to alter and amend the same;

And whereas upon receipt of the said application the Local Government Board directed Local Inquiry to be held on the subject, which Inquiry was held, after due public notice thereof, and report has been made to them thereon:
