And whereas by Section 5 of the said Local Act the said Commissioners were empowered to borrow on mortgage any sums not exceeding in the whole the sum of ten thousand pounds;

And whereas the part of the said Parish of Lytham which is within the limits prescribed by the said Local Act is an Urban Sanitary District, of which the said Commissioners are the Urban Sanitary Authority;

And whereas by a Provisional Order of the Local Government Board dated the Tenth day of June, One thousand eight hundred and seventy-four, which

And whereas the said Local Act is a Local Act within the meaning of, and relates to the same subject-matters as, the Public Health Act, 1875;

And whereas the said Commissioners, as such Sanitary Authority as aforesaid, applied to the Local Government Board to alter and amend the said Local Act, so that the boundaries of the District comprised therein might be extended, and the constitution and qualification of the said Commissioners be altered;

And whereas the Local Government Board, on receipt of the said Petition, directed Local Inquiry to be held on the subject thereof, and the same was held, after due public notice, and report has been made to them thereon:

Now therefore, We, the Local Government Board, in pursuance of the powers given by the Statutes in that behalf, do hereby order, that from and after the Twenty-ninth day of September, One thousand eight hundred and seventy-eight, the following provisions shall take effect; viz.:—

IV. The first meeting of the said twelve Commissioners so to be elected shall be held at such place and on such day (not being more than ten days after the Returning Officer shall have made his certificate of election as aforesaid) as the Returning Officer may, by written notice to each person elected, appoint; and all the provisions of the Public Health Act, 1875, relating to Local Boards, shall apply to the Commissioners as if they were a Local Board within the meaning of that Act.

V. On the day on which the said twelve Commissioners shall come into office, all the Commissioners under the said Local Act shall retire from office.

Provided, that nothing herein contained shall be deemed to alter or affect the powers, rights, duties, capacities, liabilities, (including the liability for the repayment of the said sums of ten thousand pounds and three thousand one hundred and ten pounds, and interest thereon,) obligations, and property of the Commissioners under the said Local Act, except as herein expressly provided.

VI. The order in which the said twelve Commissioners shall go out of office shall be regulated by the said Commissioners as if the above-mentioned election were the first election of a Local Board for a District constituted after the passing of the Public Health Act, 1875.

VIII. In addition to the moneys to be raised by the said Commissioners upon the whole of the extended District for the purpose of providing the sums required by the Commissioners Clauses Act, 1847, to be set apart annually for the payment of their debt and for discharging their expenses under the said Local Act and the Public Health Act, 1875, the said Commissioners shall in each of the five years next following the said Twenty-ninth day of September, make and levy upon the area formerly comprised within the limits of the said Local Act, and under the provisions of Section 23 of such Act, such a rate or rates as shall be sufficient to raise a sum of three hundred pounds, and shall in each of the said five years pay and carry such sum of three hundred pounds to the credit of the above-mentioned sinking fund, so as to enable the Commissioners to repay the said sum of ten thousand pounds within the period required by the said Commissioners Clauses Act, 1847.
