Each of them, the parties hereto of the first and second parts, so far as relates to the acts of himself, agrees with the said Mayor, Aldermen, and Burgesses, and the said Mayor, Aldermen, and Burgesses agree with the parties hereto of the first and second parts and with each of them, as follows:

1. In this Agreement the expressions "the Rector" and "the Patron" shall respectively mean the rector and patron respectively for the time being of the said rectory and parish church; and the expression "the Corporation" shall mean the said Mayor, Aldermen, and Burgesses.

2. There shall not be erected around or upon any part of that portion of the Market Square originally forming part of the glebe of the said rectory, and surrounded with a coloured red line on the plan made in triplicate and marked Z^1, to which the signatures of the rector and patron and the Mayor of the Borough of Wigan are attached, hereinafter referred to as "the plan," any wall, fence, or railing for bounding, enclosing, or fencing off the same, other than stone or iron posts with iron chains of a description similar to those shown on the plan made in triplicate and marked Z^2, and the wall already erected on the said portion of the Market Square shall be taken down by the

Corporation, and the Corporation shall make and for ever maintain the footways, carriageways, and entrances in and to the Market Square shown on the plan Z^2.

Wigan Order.

3. There shall not be constructed on the said portion of the Market Square, without the consent and approval in writing of the rector and the Reverend Ernest Richard Orlando Bridgeman, or other the person or persons in whom for the time being the estate or interest of the said Ernest Richard Orlando Bridgeman, as lessee of lands fronting the said portion of the said Market Square may be vested, any building or erection whatever, except a market hall or the extension from time to time of the present market halls.

4. No market or fair for the sale of horses, kine, pigs, sheep, or other cattle shall be holden on the moiety of the said portion of the Market Square which is marked with cross or transverse red lines on the plan, except the usual horse and cattle fair in each half year, making four days in each year; but a cattle market may, if the Corporation think fit, be holden at any time, under proper regulations, with suitable stalls and pens, on the other moiety of the said portion of the Market Square; and no booth, show, or other noisy place of amusement objectionable to the rector or the said Ernest Richard Orlando Bridgeman, or other the person or persons aforesaid, or any of them, shall be permitted on any part of the said portion of the said Market Square, except on the Saturday and Monday being the days on which the two annual pleasure fairs are by ancient charters or custom authorised to be holden in each half year, making four days in the whole.

5. The names of the several streets on the land originally forming part of the glebe of the said rectory mentioned on the plan, or the name of Mesnes Park, shall not be altered without the consent of the rector.

6. Inasmuch as the supply of water from the Mesnes Well to Wigan Hall or Rectory House, and to certain cottages belonging to the rector, formerly enjoyed has been destroyed, diverted, or interfered with by the laying out of the Mesnes Park and the formation of the artificial lake therein, or other works of the Corporation, the Corporation shall pay into the Bank of England, in the name and with the privity of Her Majesty's Paymaster-General for the time being on behalf of Her Majesty's High Court of Justice, to be placed to the account intituled "Exparte the Rector of Wigan Mine Account," in the manner and for the purposes in and for which portions of mining rents reserved on mining leases of mines under the glebe lands of the said rectory may be payable and applicable under the Wigan Rectory Glebe Act, 1871, the sum of one hundred and sixty pounds as and for agreed on compensation for the destruction, diversion, or interference of the said water supply, such compensation not to be considered as being in respect of the water supply now given by the Corporation to the rector or his lessees or tenants, or those claiming under them, for colliery purposes, by means of a stand-pipe to supply any deficiency of well-water in seasons of drought, which supply is to continue to be given by the Corporation free of charge in like manner as heretofore until the rector gives notice in writing to the Corporation that he no longer requires the same.

7. The Corporation will, at their own expense, flag the unflagged portions of the new footpaths in the Mesnes coloured green on the plan where new houses shall be erected abutting thereon, such flagging to be laid down so soon as the external parts of the respective houses have been completed, and to be coextensive with the frontage of such houses, and will also at their own expense complete the flagging of all the unflagged portions of the said footpaths within seven years from the first day of February

A.D. 1878.

Wigan Order.

one thousand eight hundred and seventy-eight, notwithstanding houses fronting the same may not have been completed as aforesaid.

8. The footpath shown by a dotted black line A. to B. on the plan having been or being about to be diverted with the consent of the Honourable Edward Kenyon from that site to the site shown by a red line on the plan, the Corporation will, at their own expense, take all such steps and do all such acts as shall be requisite for obtaining the sanction of the justices and the confirmation by the next practicable court of quarter sessions to the diversion of the said footpath as aforesaid.

9. The rector and the patron consent to the making of a public street from Bridgeman Terrace of at least twenty-one feet wide, including footpaths along the north-east end of the Mesnes Park, as shown by a blue colour on the plan.

10. The present width of "Mesnes Street," which street is shown on the plan, and which has been constructed of a width of forty-two feet or thereabouts, instead of forty-five feet as mentioned in the agreement of the twenty-sixth day of June one thousand eight hundred and seventy-one, whereof a copy is contained in Schedule D. to the Wigan Rectory Glebe Act, 1871, shall not, so far as made on land forming part of the glebe of the said rectory, be increased or altered without the consent in writing of the Rector, and the land intended to have formed the additional width of the said street, so far as it formed part of the said glebe, shall continue, and be deemed to have continued part of such glebe as if it had been originally agreed that the said street should be of its present width, but the Corporation may, whenever they think fit (and without any obligation on them so to do), increase the present width of that part of "Mesnes Street" which is not on land forming part of the said glebe.

11. Inasmuch as a good hotel is wanted for the convenience of the public, the Corporation shall, by all means in their power, assist the rector's lessee for the time being of the plot of land lying between Mesnes Lane or Hope Street, Mesnes Street, and New Market Street, or of such other plot of land forming part of the glebe of the said rectory, and situate near to the Market Square, as the rector may, by notice in writing to the Corporation, specify in this behalf, or the undertenant for the time being of such lessee, in applying for and obtaining the requisite public-house or hotel license or licenses for a house to be erected on such plot of land or some part thereof.

12. Inasmuch as by straightening and altering the street laid out between the Mesnes and land of Thomas Dicconson, Esquire, in continuation of or in a line with Mesnes Park Terrace, 230 yards of land forming part of the glebe of the said rectory, and leased (with other land of the said glebe) to the said Ernest Richard Orlando Bridgeman, were taken from him to form part of such street, and he was put to delay and inconvenience thereby, the Corporation shall pay to the said Ernest Richard Orlando Bridgeman as and for agreed on compensation, the sum of two hundred and thirty pounds, and shall and will make, construct, sewer, macadamize, and complete the said street within twelve months from the first February one thousand eight hundred and seventy-eight.

13. The rector, with the approval of the patron which is hereby given, shall sell, and the Corporation shall purchase (subject nevertheless to such restrictions as are contained in the stipulation numbered 13 in the said Agreement of 1871, with reference to the conveyance of the plots therein referred to), the mines, delfs, quarries, beds, veins, and seams of coal, cannel, or other minerals under those portions of land surrounded with a coloured yellow line on the plan, at the price of eight hundred

pounds, such sum to be paid into the Bank of England, in the manner and for the purposes herein-before provided with respect to the sum of one hundred and sixty pounds herein-before mentioned, but nevertheless with liberty for the rector and his lessees and tenants to drive and make four roads, being not more than nine feet wide each nor less than ten yards apart through each of the mines hereby agreed to be sold (except the Wigan 9 feet), together with three openings nine feet wide between each pair of the said roads, if the same shall be required, for ventilating, working, or getting the adjacent mines.

14. Notwithstanding all things required by the said Agreement of the twenty-sixth day of June one thousand eight hundred and seventy-one, to be done by the Corporation within the time therein mentioned, in order to entitle the Corporation to a conveyance of the plots of land marked No. 1 and No. 2 respectively on the plan referred to by the said Agreement of one thousand eight hundred and seventy-one, were not done within such time when the matters and things required to be done by the Corporation under this Agreement, except the flagging of certain footpaths mentioned in clause 7 have been done to the satisfaction of the rector, the Corporation shall be entitled at their own expense to such conveyance of the said plots under and according to the provisions of the said Agreement of one thousand eight hundred and seventy-one, so far as they may then be applicable, (except that as to the said plot marked No. 2 the conveyance shall include the mines, delfs, quarries, beds, veins, and seams of coal, cannel, or other minerals under the portions of land surrounded with a coloured yellow line on the plan Z[1]), and all right of the Corporation to the sum of two thousand pounds paid by them under the said Agreement shall cease, and the said Agreement of one thousand eight hundred and seventy-one shall remain valid, save so far as varied by the Agreement contained in the schedule to the Wigan Improvement Act, 1874, or section 45 of that Act, or by the present Agreement.

15. The rector and patron hereby consent to the Corporation conveying to the Governors of the Wigan Free Grammar School the site forming the south-west corner of the said plot No. 2 referred to in the said Agreement of the twenty-sixth day of June one thousand eight hundred and seventy-one, and the mines and minerals thereunder or subjacent thereto, or any part or parts thereof.

16. The provisions herein-before contained shall only take effect in the event of this Agreement being confirmed by Parliament, and in that case shall have effect, anything in the Wigan Improvement Act, 1874, or any other Act notwithstanding.

17. Provided always, and it is hereby declared, that this Agreement is made subject to such alterations as Parliament may think fit to make therein, but if the committee on any Bill to which this Agreement is scheduled shall make any alteration in this Agreement, it shall be competent to any party hereto to withdraw the same, but nevertheless all parties hereto shall use their best endeavours to have this Agreement as executed confirmed by Parliament.

18. All costs, charges, and expenses of the rector and patron, and the said Ernest Richard Orlando Bridgeman, incurred or to be incurred in respect of or preliminary to the application for the Provisional Order for which proceedings are being taken in relation to the Borough of Wigan, or in respect of the street arrangements made, or in course of being made or perfected between the Rector and Thomas Dicconson, Esquire, for the public access between the Mesnes and lands of the said Thomas Dicconson, or in carrying out any exchange of land consequent thereon, or in relation

19. The Patron hereby approves of this Agreement, and every matter, clause, and thing herein contained.
