And whereas the Local Act is a Local Act within the meaning of Section 303 of the Public Health Act, 1875, and the Commissioners, as such Urban Sanitary Authority as aforesaid, have applied to the Local Government Board to alter and amend the same as herein-after mentioned;

And whereas the Local Government Board, upon receipt of such application, directed Local Inquiry to be held on the subject, and also of the proposed amendment of the Confirming Act of 1878, which Inquiry was held, after due public notice, and report has been made to them thereon:

Now therefore, We, the Local Government Board, in pursuance of the powers given to Us by the Statutes in that behalf, do hereby Order that, as from the commencement of this Order, the following provisions shall take effect, viz.:

Art. I. The Local Act shall be altered and amended so as to provide that the Commissioners shall keep accounts in respect of their gasworks separate from all their other accounts, and shall in such accounts distinguish their receipts and expenditure on revenue or capital account, and shall apply all money from time to time received by them in respect of their gasworks undertaking, except moneys applicable as capital, as follows; that is to say,—

A.D. 1881.

First. In paying the working and the establishment expenses, and the cost of the maintenance of their gasworks.

Secondly. In paying the interest on so much of the said sum of eight thousand nine hundred pounds, expended by the Commissioners for purposes in connexion with their gasworks, and on so much of any money borrowed for the purpose of repaying the same, as shall from time to time remain unpaid.

Thirdly. In providing for the sinking fund required to be set aside in accordance with the provisions of this Order.

Fourthly. In providing a reserve fund, if they think fit, by setting aside such money as they from time to time think reasonable, and investing the same and the resulting income therefrom, in any securities in which trustees for the time being are authorised to invest, or in securities issued by any Local Authority, as defined by the Local Loans Act, 1875, other than the Commissioners, and accumulating the same at compound interest, but so that the reserve fund thus formed shall not at any time exceed two thousand pounds.

Art. II.—The Commissioners after applying, in the manner provided by Article I., the moneys received by them as aforesaid in respect of their gasworks, shall apply any balance of the moneys so received remaining in any year, and when the reserve fund amounts to two thousand pounds, shall apply the annual proceeds of such fund, in paying any moneys borrowed by them for the purposes of their gasworks, or for the repayment of moneys borrowed for such purposes, or in providing for the repayment of such moneys by means of a sinking fund, invested, accumulated, and applied in accordance with the provisions of this Order, or in reducing the price of gas, or to any other public object, which shall appear to them to be for the benefit of the District.

Art. III. The reserve fund to be formed as herein-before provided shall be applicable to meet any extraordinary claim or demand at any time arising against the Commissioners in respect of their gasworks, or any expenses incurred by the Commissioners in carrying out any extensions of such gasworks.

Art. IV. If in any year the money received by the Commissioners in respect of their gasworks, other than moneys received on capital account, shall be insufficient for the payments required to be made under Art. I. of this Order, other than payments for the provision of a reserve fund, the deficiency shall be made good out of the rates and assessments, which the Commissioners are authorised to make under Section 23 of the Local Act.

Art. V. The Commissioners shall annually set apart as a sinking fund for the repayment of the moneys which have been borrowed and expended by them as aforesaid for purposes in connexion with their gasworks, or which shall have been borrowed for the purpose of repaying such moneys, one sixtieth part of the said sum of nine thousand two hundred pounds, and such part shall be deemed to be in lieu of the part which the Commissioners would otherwise be required to set apart for the repayment of such moneys in accordance with the provisions of the Commissioners Clauses Act, 1847.

A.D. 1881.

Lytham Order.

The Commissioners shall accumulate all sums so set apart in the way of compound interest by investing the same in any of the securities in which the reserve fund is herein-before authorised to be invested, and the Commissioners may at any time apply the whole or any part of the sinking fund set apart under Article V. in or towards the discharge of the moneys for the repayment of which such sinking fund is set apart, provided that they pay into the fund in each year and accumulate, until the whole of such moneys are repaid, a sum equivalent to the interest which would have been produced by the sinking fund on the part of the sinking fund so applied.

Art. VII. The Commissioners shall as soon as may be after the commencement of this Order, apply so much of the sinking fund amounting to one thousand four hundred and seven pounds four shillings and threepence, as shall not at the commencement of this Order have been so applied, towards the repayment of the said sum of eight thousand nine hundred pounds, so owing as aforesaid in respect of moneys borrowed by the Commissioners for purposes in connexion with their gasworks, or, pending such application, shall invest and accumulate any part of such sinking fund for the time being remaining unapplied in the same manner as the sinking fund to be set apart under Article V. of this Order is by Art. VI. directed to be accumulated and invested.

Art VIII. The Confirming Act of 1878, so far as it relates to the Order of 1878, shall be altered and amended, so as to provide that one half of every sum of three hundred pounds, which after the commencement of this Order, is required in accordance with the directions of the Order of 1878, to be carried to the credit of the sinking fund therein mentioned, shall be applied in repayment of so much of the said sum of eight thousand nine hundred pounds, as shall for the time being remain unpaid, and pending such application shall be invested and accumulated in the same manner as the sinking fund, to be set apart under Article V. of this Order, is by Article VI. directed to be accumulated and invested.

Art. IX. The Local Act shall be further altered and amended, so as to provide that the Commissioners may from time to time reborrow any part of the said sum of eight thousand nine hundred pounds, or any moneys borrowed for the repayment of the same, which shall have been paid off otherwise than by means of a sinking fund, or in compliance with the provisions of this Order.

Provided, that no obligation imposed on the Commissioners by this Order with respect to the sinking fund to be set aside for the repayment of any part of the said sum of eight thousand nine hundred pounds, or of any moneys borrowed for the repayment of the same, shall be in any way affected by such reborrowing.

Art. X. Any moneys reborrowed under Article IX. of this Order may be borrowed on the security of the gasworks of the Commissioners and of the revenue of the same, as well as on the security of the rates and assessments which the Commissioners are empowered to make under Section 23 of the Local Act.

A.D. 1881.

Lytham Order.

Art. XI. The Local Act shall be further altered and amended, and shall provide as follows:

(*a.*) The Clerk to the Commissioners shall, within twenty-one days after the twenty-fifth day of March one thousand eight hundred and eighty-two, and thenceforth within twenty-one days after the expiration of each year during which any sum is required to be set apart for a sinking fund, in accordance with the provisions of the Local Act, or of the Order of 1878, or of this Order, transmit to the Local Government Board a return in such form as may be prescribed by that Board, and verified by statutory declaration, if so required by them, showing the amounts which have been invested or applied for the purposes of such sinking fund during the year next preceding the making of such return, and the description of the securities upon which any investment has been made, and the purposes to which any portion of the sinking fund or investment, or of the sums accumulated by way of interest, has been applied during the same period, and the total amount (if any) remaining invested at the end of the year; and in the event of any wilful default in making such return, such clerk shall be liable to a penalty not exceeding twenty pounds, which shall be paid to the Local Government Board, and shall be recoverable by that Board in the same manner as penalties recoverable under the Public Health Act, 1875, in a summary manner may be recovered by parties aggrieved within the meaning of that Act.

(*b.*) If it appears to the Local Government Board, by that return or otherwise, that the Commissioners have failed to set apart any sum required for any sinking fund, or have applied any portion of the money set apart for any sinking fund, or of the sums accumulated by way of interest, to any purposes other than those authorised, they may, by Order, direct that a sum not exceeding double the amount in respect of which default has been made shall be set apart and invested, or applied as part of the sinking fund; and any such Order shall be enforceable by writ of mandamus, to be obtained by the Local Government Board out of Her Majesty's High Court of Justice.
