Hastings Order.

SCHEDULE.

BOROUGH OF HASTINGS.

Provisional Order for partially repealing and altering the Hastings Improvement Act, 1885.

To the Mayor, Aldermen, and Burgesses of the Borough of Hastings, being the Urban Sanitary Authority for that Borough;—

And to all others whom it may concern.

WHEREAS the Borough of Hastings (herein-after referred to as "the Borough") is an Urban Sanitary District, of which the Mayor, Aldermen, and Burgesses, acting by the Council (herein-after referred to as "the Corporation"), are the Urban Sanitary Authority, and the Hastings Improvement Act, 1885 (herein-after referred to as "the Hastings Act") is in force in the Borough;

48 & 49 Vict. c. cxcvi.

2 Will. IV. c. xlv.

And whereas under the powers and provisions of the Saint Leonards Paving Act, 1832 (herein-after referred to as "the Saint Leonards Act"), certain Commissioners (who, and their successors, are herein-after referred to as "the Commissioners") were appointed to execute that Act in the Town of Saint Leonard, in the County of Sussex;

35 & 36 Vict. c. 79.

33 & 39 Vict. c. ccxi.

And whereas the District of the Commissioners was an Improvement Act District within the meaning of the Public Health Act, 1872, and by a Provisional Order of the Local Government Board dated the Fourteenth day of June, One thousand eight hundred and seventy-five, and duly confirmed by the Local Government Board's Provisional Orders Confirmation (Abingdon, Barnsley, &c.) Act, 1875 (which Order and Act are herein-after respectively referred to as "the Order" and "the Confirming Act"), the said Improvement Act District was dissolved, and all the liabilities of the Commissioners (including the balance of sixteen thousand three hundred and ninety-six pounds then outstanding in respect of certain debts of the Commissioners, amounting to the sum of twenty-seven thousand seven hundred pounds) were transferred to the Corporation;

And whereas by the Order it was directed that the sum of ten thousand four hundred and sixty pounds (part of the said sum of sixteen thousand three hundred and ninety-six pounds), with the interest from time to time accruing thereon, should be charged upon the general district rate of the whole of the Borough, and that the sum of five thousand nine hundred and thirty-six pounds (being the residue of the said sum of sixteen thousand three hundred and ninety-six pounds), with interest thereon at the rate of four pounds and ten shillings per centum per annum, should be charged upon that part of the Borough which formerly constituted the said Improvement Act District, and that the Corporation should

make and levy upon that part a rate or rates, in accordance with the provisions of the Saint Leonards Act, to defray the said sum of five thousand nine hundred and thirty-six pounds, with interest thereon as aforesaid, within the term of twenty years from the Twenty-ninth day of September, One thousand eight hundred and seventy-five;

And whereas the said sum of sixteen thousand three hundred and ninety-six pounds comprised the sums specified in Column 1 of the Schedule to this Order (herein-after referred to as "the Schedule"), and at the date when the debt was transferred to the Corporation as aforesaid those sums were secured by mortgages which provided for the repayment of the sums by equal annual instalments of principal, the last of such instalments being payable on the dates set opposite to such sums respectively in Column 4 of the Schedule;

And whereas the sum of eight thousand two hundred and forty-six pounds thirteen shillings and fourpence was outstanding on the Twenty-fifth day of March, One thousand eight hundred and eighty-five, in respect of the said sum of sixteen thousand three hundred and ninety-six pounds, and by Section 11 of the Hastings Act it was provided that the Corporation should repay the said sum of eight thousand two hundred and forty-six pounds thirteen shillings and fourpence within three years from the Thirty-first day of March, One thousand eight hundred and eighty-six;

And whereas the sums specified in Column 3 of the Schedule were on the Twenty-fifth day of March, One thousand eight hundred and ninety-one, outstanding in respect of the sum of eight thousand two hundred and forty-six pounds thirteen shillings and fourpence, and of that sum of eight thousand two hundred and forty-six pounds thirteen shillings and fourpence the sum of one thousand three hundred and sixty-nine pounds fifteen shillings represented the balance at that date outstanding in respect of the said sum of five thousand nine hundred and thirty-six pounds:

Now therefore, We, the Local Government Board, in pursuance of the powers given to Us by Section 303 of the Public Health Act, 1875, and by any other Statutes in that behalf, do hereby Order that, from and after the date of the Act of Parliament confirming this Order (herein-after referred to as "the commencement of this Order"), the following provisions shall take effect; viz.,— 38 & 39 Vict. c. 55.

Art. I. So much of Section 11 of the Hastings Act as relates to the sum of eight thousand two hundred and forty-six pounds thirteen shillings and fourpence shall be repealed.

Art. II. The Hastings Act shall be altered so as to provide as follows:—

(1.) Each of the sums specified in Column 3 of the Schedule shall be repaid, together with the interest thereon, in accordance with the terms agreed upon with the mortgagees respectively, by equal annual instalments, the last of such instalments to be paid on or before the dates set opposite such sums respectively in Column 4 of the Schedule.

(2.) The Corporation shall make and levy upon that part of the Borough which formerly constituted the said Improvement Act District such a rate or rates, in the nature of the rate which at the date of the Order was leviable under the provisions of the Saint Leonards Act, as will be sufficient to defray the said sum of one thousand three hundred and sixty-nine pounds

fifteen shillings, or so much thereof as will remain outstanding at the commencement of this Order, with interest thereon at the rate of four pounds ten shillings per centum per annum, within a period of four years from the Twenty-ninth day of September, One thousand eight hundred and ninety-one.

(3.) The sums from time to time raised by the rate or rates referred to in subdivision (2) of this Article shall be applied towards defraying the instalments and interest payable under subdivision (1) of this Article in respect of the sums mentioned in Column 3 of the Schedule.

And to all others whom it may concern.

WHEREAS the Borough of Oldham (herein-after referred to as "the Borough") is an Urban Sanitary District, of which the Mayor, Aldermen,

Oldham Order.

and Burgesses, acting by the Council (herein-after referred to as "the Corporation"), are the Urban Sanitary Authority, and the Oldham Borough Improvement Act, 1865, the Oldham Improvement Act, 1880, and the Oldham Corporation Act, 1886 (which Acts are herein-after collectively referred to as "the Local Acts," and each of which Acts is herein-after referred to as the Act of the year in which it was passed), are in force in the Borough;

28 & 29 Vict. c. cccxi. 43 & 44 Vict. c. cxlvii. 49 & 50 Vict. c. cxvii.

And whereas by Section 85 of the Act of 1865 provisions were made for the prevention of smoke from certain fireplaces or furnaces in the Borough;

And whereas by the Local Acts the Corporation were empowered to borrow money on mortgage for the purposes therein mentioned, and by Section 49 of the Act of 1886 the Corporation were authorised, in lieu of borrowing such money on mortgage, to raise the same by the creation and issue of Oldham Corporation Debenture Stock in accordance with the provisions of the Act of 1880:

Now therefore, We, the Local Government Board, in pursuance of the powers given to Us by Section 303 of the Public Health Act, 1875, and by any other Statutes in that behalf, do hereby Order that, from and after the date of the Act of Parliament confirming this Order, the following provisions shall take effect; viz.,—

38 & 39 Vict. c. 55.

Art. I. The Act of 1865 shall be altered so that, in addition to the provisions of Section 85, the following provisions with respect to the prevention of smoke shall be in force in the Borough; viz.,—

If from any chimney, not being the chimney of a private dwelling-house, black smoke is emitted in such quantity as to be a nuisance, the Corporation may, and on complaint by any person aggrieved, or by two inhabitant householders of the Borough, shall, cause notice to be given to the owner or occupier of the land on which such chimney is situate to discontinue such emission, and if after such notice the emission is repeated, it shall be an offence against the Act of 1865, and such owner or occupier shall for each such offence be liable to a penalty not exceeding ten pounds.

Art. II. The Local Acts shall be altered so as to provide as follows:—

(1.) The Corporation may from time to time by resolution determine that any sum or sums which the Oldham School Board or the Guardians of the Poor of the Oldham Union may be by law authorised to borrow or re-borrow upon the security of any rates or funds, and which the borrowing authority may be desirous of borrowing from the Corporation, shall be lent by the Corporation accordingly.

(2.) Any sum or sums which the Corporation shall resolve to lend as aforesaid may be raised either by the issue of redeemable Oldham Corporation Debenture Stock, or by borrowing or re-borrowing the same on mortgage of the borough fund and borough rate, and the provisions of Sections 236 to 239, both inclusive, of the Public Health Act, 1875, shall apply to all money raised under this Article by borrowing on mortgage:

Provided that the Corporation shall not raise any money under the powers conferred by this Order by the issue of irredeemable Oldham Corporation Debenture Stock.

A.D. 1891.

Oldham Order.

Art. III. The Local Acts shall be further altered so that the following provisions shall apply to moneys raised under this Order and to the payment of interest and principal in respect thereof:—

(1.) The sum shall be lent by the Corporation to the borrowing authority for a period not exceeding that for which the borrowing authority is authorised to borrow or re-borrow the same, and with a provision for repayment by instalments.

(2.) The sum shall be repaid by the Corporation within a period to expire not more than one year after that for which the same was lent by them to the borrowing authority.

(3.) All sums received for interest shall be applied towards the payment of interest payable in respect of moneys raised under this Order, the balance (if any) being carried to the credit of the borough fund.

(4.) All sums received for principal shall be applied towards the repayment of the principal payable in respect of moneys raised under this Order, and until so applied shall be invested in the purchase of Exchequer bills or other Government securities, or in securities in which trustees are by law for the time being authorised to invest, or in mortgages, debentures, debenture stock, or other securities issued by any Local Authority as defined by Section 34 of the Local Loans Act, 1875, other than the Corporation, the Corporation being at liberty from time to time to vary and transpose such investments. The interest derived from such investments shall be applied in making good any loss or deficiency of or in the principal so invested that may arise by depreciation of the investments or otherwise, and if not required for this purpose shall be applied as if the same had been received for interest on moneys lent by the Corporation.

38 & 39 Vict. c. 83.

(5.) If any sum payable to the Corporation for principal shall not be received within six months of the time appointed for the payment thereof, a like sum shall be set apart out of the borough fund, and applied or invested in place thereof by the Corporation; and if after such application or investment the sum, or any part thereof, shall be received by the Corporation, the same shall be carried to the credit of the borough fund:

Provided that subdivisions (2) and (4) of this Article shall not be applicable to any money raised by the issue of Oldham Corporation Debenture Stock; but in such case all sums received for principal, or to be set apart out of the borough fund under subdivision (5) of this Article, shall be paid into the sinking fund to be established for the redemption of such stock, pursuant to Section 53 of the Act of 1886.

Art. IV. The Local Acts shall be further altered so as to provide as follows:—

(1.) The town clerk of the Borough shall, within twenty-one days after the expiration of each year ending on the Twenty-fifth day of March in which any sum is payable to the Corporation in respect of moneys lent by them under the provisions of this Order, and raised otherwise than by issue of Oldham Corporation Debenture Stock, transmit to the Local Government Board a return, in such form as may be prescribed by that Board, and verified by statutory declaration, if so required by them, showing, for the year next preceding the making of such return, the amounts which have been received from the borrowing authorities for principal, the amounts

Oldham Order.

which have been applied directly towards the repayment of the principal payable in respect of moneys raised under this Order, and the amounts which have been invested, and the description of the securities upon which any investment has been made, and the purposes to which any portion of the investment has been applied during the same period, and the total amount (if any) remaining invested at the end of the year; and, in the event of any wilful default in making such return, such town clerk shall be liable to a penalty not exceeding twenty pounds, which shall be paid to the Local Government Board, and shall be recoverable by that Board in the same manner as penalties recoverable under the Public Health Act, 1875, in a summary manner may be recovered by parties aggrieved within the meaning of that Act.

(2.) If it appears to the Local Government Board by that return, or otherwise, that the Corporation have failed to apply or invest, as required by subdivisions (3) and (4) of Article III. of this Order, any sum by those subdivisions required to be applied or invested, or have misapplied any of the investments or the produce of the sale thereof, the Local Government Board may, by Order, direct that the sum in such Order mentioned, not exceeding double the amount in respect of which such default or misapplication has occurred, shall be applied directly towards repayment of principal, or be invested, and any such Order shall be enforceable by writ of mandamus to be obtained by the Local Government Board out of the High Court.

And whereas the Corporation did not exercise the powers conferred upon them by the Local Act for the compulsory purchase of the lands required for the widening of Pound Tree Lane within the period limited by the Local Act ;

And whereas the Corporation, in order that the said widening should be carried out under the Public Health Act, 1875, applied to the Local Government Board for a Provisional Order under Section 176 of the last-mentioned Act to enable them to purchase the lands required for such widening compulsorily, and the Local Government Board on the Fifteenth day of May, One thousand eight hundred and ninety, issued a Provisional Order for that purpose, which was duly confirmed by the Local Government Board's Provisional Orders Confirmation (No. 5) Act, 1890 ; 53 & 54 Vict. c. lxxxiv.

And whereas the Corporation have raised, by the creation and issue of Southampton Corporation Stock, the above-mentioned sum of five thousand five hundred pounds ; and it is expedient that they should be authorised to apply the moneys so raised towards defraying the cost incurred in carrying out the said widening under the provisions of the Public Health Act, 1875, as aforesaid, and to borrow further moneys for waterworks purposes :

Now therefore, We, the Local Government Board, in pursuance of the powers given to Us by Section 303 of the Public Health Act, 1875, and by any other Statutes in that behalf, do hereby Order that, from and after the date of the Act of Parliament confirming this Order, the Local Act shall be altered so as to provide as follows :— 38 & 39 Vict. c. 55.

Art. IV. The moneys borrowed under this Order shall be repaid within such periods, not exceeding thirty years from the date of borrowing, as the Corporation, with the sanction of the Local Government Board, shall determine, and the periods so determined and sanctioned shall be deemed to be the "prescribed periods" within the meaning of the Local Loans Act, 1875, and are herein-after referred to as "the prescribed periods." 38 & 39 Vict. c. 83.

Art. V. The Corporation shall repay the moneys borrowed under this Order, other than money borrowed under the provisions of the Local Loans Act, 1875, either by equal annual instalments of principal, or of principal and interest, or by setting apart in every year as a sinking fund such a sum or sums as will, according to a reasonable calculation for the time being, with accumulations in

Art. IX. The treasurer of the Borough shall, within twenty-one days after the Twenty-fifth day of March in each year in which any sum is required to be paid as an instalment, or to be set apart for a sinking fund, in pursuance of the provisions of this Order, transmit to the Local Government Board a return, in such form as may be prescribed by that Board, and verified by statutory declaration, if so required by them, showing, for the year next preceding the making of such return, the amounts which have been paid as instalments, and the amounts which have been invested or applied for the purpose of such sinking fund, and the description of the securities upon which any investment has been made, and the purposes to which any portion of the sinking fund or investment or of the sums accumulated by way of interest has been applied during the same period, and the total amount (if any) remaining invested at the end of the year; and, in the event of any wilful default in making such return, such treasurer shall be liable to a penalty not exceeding twenty pounds, which shall be paid to the Local Government Board, and shall be recoverable by that Board in the same manner as penalties recoverable under the Public Health Act, 1875, in a summary manner may be recovered by parties aggrieved within the meaning of that Act.

portion of the moneys set apart for any sinking fund or of the sums accumulated by way of interest, to any purpose other than those authorised, the Local Government Board may, by Order, direct that the sum in such Order mentioned, not exceeding double the amount in respect of which default has been made, shall be paid by way of instalment or be set apart and invested or applied as part of the sinking fund, and any such Order shall be enforceable by writ of mandamus to be obtained by the Local Government Board out of the High Court.
