each of which Orders and Confirming Acts is herein-after referred to as the Order or the Confirming Act of the year in which it was made or passed, and all which Orders, with any other Provisional Orders duly confirmed by Parliament and now in force in the City, are herein-after referred to as "the Orders," and all which Confirming Acts, with any other Acts confirming such other Provisional Orders, are herein-after referred to as "the Confirming Acts" ;

And whereas by the Local Acts and Orders mentioned in column 1 of the Second Schedule hereto, borrowing powers to the extent mentioned in column 2 have been conferred upon the Corporation as regards Part I. of that Schedule in connexion with their Longdendale Waterworks, as regards Part II. of that Schedule in connexion with certain improvement works, and as regards Part III. of that Schedule in connexion with the town hall of the City ;

And whereas up to the Thirty-first day of March, One thousand eight hundred and ninety-three, the borrowing powers so conferred upon the Corporation had been exercised to the extent mentioned in column 3 of the Second Schedule hereto, leaving unborrowed the sums mentioned in column 4 of that Schedule ; and at the said date there were owing in respect of the moneys so borrowed the sums mentioned in column 5 of that Schedule ;

And whereas the sums specified in column 4 of the Second Schedule hereto are the amounts which had not been borrowed in consequence of the borrowing powers of the Corporation being reduced by virtue of Section 5 of the Lands Clauses Consolidation Act, 1860, by an amount equal to twenty years' purchase of the rentcharges, ground rents, or ground annuals, in consideration of which the Corporation have purchased lands, for the purchase whereof they were authorised to borrow money ;

And whereas by Section 57 of the Act of 1875, as altered by the Orders of 1880 and 1884, the Corporation were empowered to borrow for purposes connected with their gasworks, sums amounting in the whole to the sum of seven hundred thousand pounds ;

And whereas it is expedient that the power of the Corporation to create and issue irredeemable stock should cease, and that the provisions of the Local Acts and Orders enabling the Corporation to exercise any borrowing power by the creation of life annuities should be repealed, and that the existing provisions of the Local Acts and Orders with regard to the repayment and re-borrowing of the moneys raised under the powers of borrowing referred to in the Second Schedule hereto should be repealed, and amended provisions substituted, that additional borrowing power for gasworks should be conferred, and that other provision should be made as herein-after appearing :

Now therefore, We, the Local Government Board, in pursuance of the powers given to Us by Sections 297 and 303 of the Public Health Act, 1875, and by any other Statutes in that behalf, do hereby Order that, from and after the date of the Act of Parliament confirming this Order (herein-after referred to as

38 & 39 Vict. c. 55.

"the commencement of this Order"), the following provisions shall take effect; viz.,—

Art. I.—(1.) The Local Acts and the Confirming Acts specified in column 1 of the First Schedule hereto shall be and the same are hereby repealed to the extent mentioned in the second column of that Schedule, but without prejudice to anything done in pursuance of the repealed provisions, and except so far as it may be necessary to continue the same with respect to any life annuity granted before the commencement of this Order.

(2.) Any other provision of any of the Local Acts or of the Confirming Acts enabling the Corporation to exercise any borrowing powers by the grant of life annuities shall also be repealed, except so far as the same may have been acted upon:

Provided that nothing in this Order contained shall alter or affect any life annuity granted before the commencement of this Order, or the rights and powers of any person entitled to such life annuity.

(3.) Notwithstanding anything to the contrary contained in any of the Local Acts or of the Confirming Acts, the Corporation shall not after the commencement of this Order create or issue any irredeemable stock.

In order to provide for the repayment of the sums mentioned in column 5 of Part I. of the Second Schedule hereto, or for the purchase and redemption of stock created and issued, or the redemption of annuities granted in respect of those sums, the Corporation shall annually pay into a sinking fund (herein-after referred to as "the Longdendale Waterworks Sinking Fund") the sum of seventeen thousand eight hundred and fifty pounds, until provision shall have been made for the repayment of the whole of those sums, or for the purchase and redemption of such stock, or of such annuities, as the case may be.

Art. III. In order to provide for the repayment of the sums mentioned in column 5 of Part II. of the Second Schedule hereto, or for the purchase and redemption of stock created and issued in respect of those sums, the Corporation shall annually pay into a sinking fund (herein-after referred to as "the Improvements Sinking Fund") the sum of eleven thousand and eighty-seven pounds, until provision shall have been made for the repayment of the whole of those sums, or for the purchase and redemption of such stock, as the case may be.

Art. IV. In order to provide for the repayment of the sums mentioned in column 5 of Part III. of the Second Schedule hereto, or for the purchase and redemption of stock created and issued in respect thereof, the Corporation shall annually pay into a sinking fund (herein-after referred to as "the Town Hall Sinking Fund") the sum of nine thousand one hundred and ninety-seven pounds, until provision shall have been made for the repayment of the whole of those sums, or for the purchase and redemption of such stock, as the case may be.

Art. V. The Corporation shall, as soon as practicable after the commencement of this Order, apply any sum or sums standing to the credit of any existing sinking fund established for the repayment of the moneys mentioned in column 3 of the Second Schedule hereto in repayment of such moneys or the purchase or redemption of stock or annuities created in respect of such moneys.

Art. VII.—(1.) Every sum paid to the Longdendale Waterworks Sinking Fund, or the Improvements Sinking Fund, or the Town Hall Sinking Fund, and the interest on the investments of those sinking funds respectively, shall, unless applied in repayment of the loans or the purchase and redemption of the stock or the annuities in respect of which the sinking fund is formed, be immediately invested in securities in which trustees are by law for the time being authorised to invest, or in mortgages, bonds, debentures, debenture stock, stock, or other securities (not being annuity certificates or securities payable to bearer) duly issued by any Local Authority, as defined by Section 34 of the Local Loans Act, 1875, other than the Corporation, the Corporation being at liberty from time to time to vary and transpose such investments.

(2.) The Corporation may at any time apply the whole or any part of any of the said three sinking funds in or towards the discharge of the money, or in or towards the purchase or redemption of the stock or the annuities, in respect of which the fund is formed: Provided that the Corporation shall pay into the fund each year a sum equal to the interest which would have been produced by such sinking fund so applied, if invested at the rate of three pounds per centum per annum.

(3.)—(*a.*) If and so often as the income of any of the said three sinking funds is not equal to the income which would be derived from the amount invested if the same were invested at three pounds per centum per annum, any deficiency shall be made good by the Corporation.

(*b.*) If and so often as the income of any of the said three sinking funds is in excess of the income which would be derived from the amounts invested if the same were invested at the rate of three pounds per centum per annum, any such excess may be applied towards such of the annual payments provided for by Articles I., II., and III. of this Order as such excess shall be incidental to.

Art. VIII.—(1.) The payments into the Longdendale Waterworks Sinking Fund provided for by Article II. and subdivisions (2) and (3) of Article VII. of this Order, and any instalment or payment into a sinking fund by this Order required to be made in respect of any parts of the sums mentioned in column 4 of Part I. of the Second Schedule hereto which may be hereafter borrowed, shall be provided and paid by the Corporation primarily out of the revenue arising from their waterworks undertaking, and, so far as such revenue is insufficient, out of the city rate of the City.

(2.) The payments into the Improvements Sinking Fund and the Town Hall Sinking Fund provided for by Articles III. and IV. and subdivisions (2) and (3) of Article VII. of this Order, and any instalment or payment into a sinking fund by this Order required to be made in respect of any part of the sums mentioned in column 4 of Parts II. and III. of the Second Schedule hereto which may be hereafter borrowed, shall be provided and paid out of the city rate of the City.

Art. IX. The Act of 1875, and the Confirming Act of 1880, so far as it relates to the Order of 1880, and the Confirming Act of 1884, so far as it relates to the Order of 1884, shall be altered so as to enable the Corporation, with the sanction of the Local Government Board, and subject to the provisions of this Order, to borrow on the security of the city rate of the City such further sums, not exceeding in the whole the sum of five hundred thousand pounds, as may from time to time be necessary for the purposes of their gas undertaking.

Art. X. For the purpose of raising the money authorised to be borrowed by Article IX. of this Order, or any part of the sums mentioned in column 4 of the Second Schedule hereto, which the Corporation shall from to time have power to borrow, the provisions of Sections 34 to 49, both inclusive, of the Act of 1872 (as altered by the Local Acts and Orders and by this Order), Sections 62 and 63 of the Act of 1875, Article VII. of the Order of 1885 (as altered by this Order), Articles III. to IX., both inclusive, of the Order of 1886, Sections 2 and 47 to 54, both inclusive, of the Act of 1891 shall apply, or, at the option of the Corporation, exerciseable from time to time, the Local Loans Act, 1875, shall be available to the Corporation, and the provisions of Section 16 (except the part thereof beginning "and in the event" and ending "at any one time," and except so much thereof as would enable the Corporation to borrow on the security of any property vested in or belonging to them or which may be acquired by them), and Sections 17, 18, and 23 to 27 (both inclusive), and Section 30 of the Act of 1844, chapter xl., shall apply to all such moneys as are raised and borrowed on mortgage.

Art. XI. Any part of the sums mentioned in column 4 of the Second Schedule hereto which may hereafter be borrowed, and the moneys borrowed under Article IX. of this Order, shall be repaid within the following periods; namely,—

(1.) The sums mentioned in column 4 of Part I. of the Second Schedule within a period not exceeding sixty years from the respective dates of borrowing;

(2.) The sums mentioned in column 4 of Parts II. and III. of the Second Schedule within a period not exceeding fifty-five years from the respective dates of borrowing;

(3.) The moneys borrowed under Article IX. of this Order within such period, not exceeding fifty years from the date of borrowing, as the Corporation, with the sanction of the Local Government Board, shall determine;

and the periods above specified, or the periods so determined and sanctioned, as the case may be, are herein-after severally referred to as "the prescribed period," and shall be "the prescribed period" for the purposes of the Local Loans Act, 1875.

Art. XII. The following provisions shall apply to the moneys borrowed in respect of the sums mentioned in column 4 of the Second Schedule hereto, and the moneys borrowed by virtue of Article IX. of this Order (other than moneys, if any, borrowed under the provisions of the Local Loans Act, 1875); viz.,—

by means of a sinking fund, or partly by one of those methods and partly by another or the others of them.

(2.) Subject to the provisions of Article XIII. of this Order, if the Corporation determine to repay by means of a sinking fund any of the moneys borrowed as aforesaid, such sinking fund shall be formed and maintained either—

(*a.*) By payment to the fund throughout the prescribed period of such equal annual sums as will together amount to the moneys for the repayment of which the sinking fund is formed. A sinking fund so formed is herein-after called a non-accumulating sinking fund ; or

(*b.*) By payment to the fund throughout the prescribed period of such equal annual sums as with accumulations at a rate not exceeding three per centum per annum will be sufficient to pay off within the prescribed period the moneys for the repayment of which such sinking fund is formed. A sinking fund so formed is herein-after called an accumulating sinking fund.

(3.) Every sum paid to a sinking fund, and, in the case of an accumulating sinking fund, the interest on the investments of the sinking fund, shall, unless applied in repayment of the loan in respect of which the sinking fund is formed, be immediately invested in the securities mentioned in subdivision (1) of Article VII. of this Order, the Corporation being at liberty from time to time to vary and transpose such investments.

(4.) In the case of a non-accumulating sinking fund, the interest on the investments of the fund may be applied by the Corporation towards the equal annual payments to the fund, and any surplus may be applied towards the interest on the moneys for the repayment of which the sinking fund is formed.

(5.) The Corporation may at any time apply the whole or any part of any such sinking fund in or towards the discharge of the money for the repayment of which the fund is formed : Provided that in the case of an accumulating sinking fund, the Corporation shall pay into the fund each year, and accumulate during the residue of the prescribed period, a sum equal to the interest which would have been produced by such sinking fund or the part of such sinking fund so applied if invested at the rate per centum per annum on which the annual payments to the sinking fund are based.

(6.)—(*a.*) If and so often as the income of an accumulating sinking fund is not equal to the income which would be derived from the amount invested if the same were invested at the rate per centum per annum on which the equal annual payments to the fund are based, any deficiency shall be made good by the Corporation.

(*b.*) If and so often as the income of an accumulating sinking fund is in excess of the income which would be derived from the amount invested if the same were invested at the rate per centum per annum on which the equal annual payments to the fund are based, any such excess may be applied towards such equal annual payments.

Art. XIII.—(1.) If it appears to the Corporation at any time that the amount in any sinking fund established under Article XII. of this Order, with the future payments thereto in accordance with the provisions of this Order, together with the accumulations thereon (in the case of an accumulating sinking fund), will probably not be sufficient to repay within the prescribed period the moneys for

the repayment of which the sinking fund is formed, it shall be the duty of the Corporation to make such increased payments to the sinking fund as will cause the sinking fund to be sufficient for that purpose: Provided that if it appears to the Local Government Board that any such increase is necessary, the Corporation shall increase the payments to such extent as the Board may direct.

(2.) If the Corporation desire to accelerate the repayment of any loan to which this Article applies, they may increase the amounts payable to any sinking fund, either permanently or temporarily.

(3.) If the amount in any sinking fund established under Article XII. of this Order, with the future payments thereto in accordance with the provisions of this Order, together with the accumulations thereon (in the case of an accumulating sinking fund), will, in the opinion of the Local Government Board, be more than sufficient to repay within the prescribed period the moneys for the repayment of which the sinking fund is formed, the Corporation may reduce the payments to be made to the sinking fund, either temporarily or permanently, to such an extent as that Board shall approve.

(4.) If the amount in any sinking fund established under Article XII. of this Order at any time, together with the probable accumulations thereon (in the case of an accumulating sinking fund), will, in the opinion of the Local Government Board, be sufficient to repay the loan in respect of which it is formed within the prescribed period, the Corporation may, with the consent of that Board, discontinue the equal annual payments to such sinking fund, until the Board shall otherwise direct.

(5.) Any surplus of any sinking fund established under Article XII. of this Order remaining after the discharge of the whole of the moneys for the repayment of which it was formed shall be applied to such purpose or purposes as the Corporation, with the consent of the Local Government Board, may determine.

Art. XIV. All moneys from time to time borrowed by virtue of this Order shall be applied by the Corporation only for the purposes for which the same are respectively authorised to be borrowed, excepting that moneys which may have been borrowed in excess of the amount required shall be applied in such manner as the Corporation, with the approval of the Local Government Board, determine: Provided always, that it shall not be incumbent on any person lending any such money to the Corporation to see to the application thereof, nor shall such person be answerable for any loss or misapplication or non-application thereof, or any part thereof.

Art. XV.—(1.) The mortgagees of the Corporation, in respect of moneys borrowed by virtue of Article IX. of this Order, may enforce the payment of arrears of interest or of principal, or of principal and interest, by the appointment of a receiver. The amount of arrears to authorise the appointment of a receiver shall not be less than five hundred pounds in the whole.

(2.) The application for the appointment of a receiver shall be made to the High Court, and the Court, if it thinks fit, may appoint a receiver on such terms as it thinks fit, and may at any time discharge the receiver and otherwise exercise full jurisdiction over him.

Art. XVI. Any expenses connected with the formation, maintenance, investment, application, management, or otherwise of the Longdendale Waterworks Sinking Fund, the Improvements Sinking Fund, the Town Hall Sinking Fund, or of any other sinking fund under this Order shall be paid by the Corporation in addition to the payments provided for by this Order, and as regards the Longdendale Waterworks Sinking Fund out of the revenue arising from the waterworks undertaking of the Corporation.

Art. XVII. The Corporation shall, except as herein-after provided, have power to re-borrow for the purposes of paying off any of the moneys mentioned in column 5 of the Second Schedule hereto, or for the purchase and redemption of stock or annuities created in respect of such moneys, or any moneys borrowed in respect of the sums mentioned in column 4 of that Schedule, or any moneys borrowed or re-borrowed by virtue of this Order which have not been repaid, and are intended to be forthwith repaid, or in respect of any of such moneys which have been repaid by the temporary application of funds at the disposal of the Corporation within twelve months before the re-borrowing, and which at the time of the repayment it was intended to re-borrow :

Provided that the Corporation shall not have power to re-borrow for the purpose of paying off any moneys repaid by instalments or annual payments, or by means of a sinking fund, or out of moneys derived from the sale of land, or out of any capital moneys properly applicable to the purpose of such repayment, other than moneys borrowed for that purpose :

Provided also that any moneys re-borrowed shall be deemed to form the same loan as the money for the repayment of which the re-borrowing has been made.

Art. XVIII.—(1.) The treasurer of the City shall, within twenty-one days after the Thirty-first day of March in every year, if during the twelve months ending on the said Thirty-first day of March any sum is required to be paid as an instalment or annual payment, or to be appropriated, or to be paid to a sinking fund, in pursuance of the provisions of this Order, or in respect of any money raised thereunder, and at any other time when the Local Government Board may require such a return to be made, transmit to the Local Government Board a return, in such form as may from time to time be prescribed by that Board, and if required by the Board, verified by statutory declaration of such treasurer, showing, for the year next preceding the making of such return, or for such other period as the Board may prescribe, the amounts which have been paid as instalments or annual payments, and the amounts which have been appropriated, and the amounts which have been paid to or invested or applied for the purpose of the sinking fund, and the description of the securities upon which any investment has been made, and the purposes to which any portion of the sinking fund or investment, or of the sums accumulated by way of compound interest has been applied during the same period, and the total amount (if any) remaining invested at the end of the year ; and, in the event of his failing to make such return, the treasurer of the City shall for each offence be liable to a fine not exceeding twenty pounds, to be recovered by action on behalf of the Crown in the High Court ; and, notwithstanding the recovery of such penalty, the making of the return shall be enforceable by writ of mandamus, to be obtained by the Local Government Board out of the High Court.

(2.) If it appears to the Local Government Board by that return, or otherwise, that the Corporation have failed to pay any instalment or annual payment required to be paid, or to appropriate any sum required to be appropriated, or to set apart any sum required for any sinking fund (whether such instalment or annual payment or sum is required by this Order, or by the Local Government Board in virtue thereof, to be paid, appropriated, or set apart), or have applied any portion of any sinking fund to any purpose other than those authorised, the Local Government Board may, by Order, direct that the sum in such Order mentioned, not exceeding double the amount in respect of which default has been made, shall be paid or applied as in such Order mentioned; and any such Order shall be enforceable by writ of mandamus to be obtained by the Local Government Board out of the High Court.

(3.)

Art. XIX. Where the Local Government Board cause any local inquiry to be held with reference to any of the purposes of this Order, the cost incurred by that Board in relation to such inquiry (including such reasonable sum, not exceeding three guineas a day, as that Board may determine for the services of any inspector or officer of the Board engaged in such inquiry) shall be paid by the Corporation, and the Local Government Board may certify the amount of the costs so incurred, and any sum so certified and directed by that Board to be paid by the Corporation shall be a debt due to the Crown from the Corporation.

Art. XX. Notwithstanding anything in the Local Acts to the contrary, all moneys received by the Corporation, either as purchase money on the sale, or for equality on an exchange, or as consideration for a lease of any lands acquired for the purpose of the Longdendale Waterworks, or of the town hall respectively, or by means of any part of the moneys specified in Part II. of the Second Schedule hereto, shall be paid into the sinking fund established in respect of the debt incurred for such purpose:

Provided that, upon any such payment into the sinking fund, the Corporation may reduce the annual payment by this Order required to be made into such fund, either temporarily or permanently, to such an amount as may from time to time be approved by the Local Government Board:

Provided also, that the Corporation may apply any moneys received by them as aforesaid on the sale, exchange, or lease of any lands purchased by means of any part of the moneys specified in Part II. of the Second Schedule hereto in defraying the cost of any works for the improvement of the City to which under any of the Local Acts such moneys may be applied.
