Godalming Order.

GODALMING ORDER.

Provisional Order for forming a United District under Sect. 279 of the Public Health Act, 1875.

To the Mayor, Aldermen, and Burgesses of the Borough of Godalming, in the County of Surrey, being the Sanitary Authority for that Borough; —

To the Guardians of the Poor of the Guildford Union, in the said County, being the Sanitary Authority for the Rural Sanitary District of that Union; —

And to all others whom it may concern.

WHEREAS by Section 279 of the Public Health Act, 1875, it is enacted that where, on the application of the Local Authorities of any Urban or Rural Sanitary Districts, or of any of such Authorities, it appears to the Local Government Board that it would be for the advantage of such Districts, or any of them, or any parts thereof, or of any contributory places in any Rural Sanitary District or Districts, to be formed into a United District for all or any of the purposes following; that is to say,—

(1.) The procuring a common supply of water; or

(2.) The making a main sewer or carrying into effect a system of sewerage for the use of all such Districts or contributory places; or

(3.) For any other purposes of that Act;

the Local Government Board may by Provisional Order form such Districts or contributory places into a United District; and that all costs, charges, and expenses of and incidental to the formation of a United District shall, in the event of the United District being formed, be a first charge on the rates leviable in the United District in pursuance of that Act;

And whereas by Section 280 of the same Act it is further enacted that the governing body of a United District shall be a Joint Board, consisting of such ex-officio members and of such number of elective members as the Local Government Board may by the Provisional Order forming the District determine, and that a Joint Board shall be a body corporate by such name as may be determined by the Provisional Order, having a perpetual succession and a common seal, with power to hold lands for the purposes of its constitution, without any license in mortmain;

And whereas by Section 281 of the same Act it is also enacted that the Provisional Order forming a United District under that Act shall define the purposes for which such United District is formed, and the powers, rights, duties, capacities, liabilities, and obligations under that Act which the Joint Board is authorised to exercise or perform, or is made subject to, and shall contain regulations as to the qualification and mode of election of elective members of the Joint Board, as to their continuance in office, as to casual vacancies in the Joint Board, as to their meetings and officers, and any other matter or thing, including the adjustment of present and future liabilities and property, with respect to which the Local Government Board may think

fit to make any regulations for the better carrying into effect the provisions of that Act with respect to United Districts; that upon the constitution of a Joint Board the Local Authorities having jurisdiction in the component Districts or contributory places shall cease to exercise therein any powers, or to perform any duties, or to be subject to any liabilities or obligations, which the Joint Board is authorised to exercise or perform or is made subject to; and that nevertheless, the Joint Board may delegate to the Local Authority of any component District the exercise of any of its powers or the performance of any of its duties;

And whereas by Section 282 of the same Act it is also enacted that meetings of any Joint Board shall be held and the proceedings thereat shall be conducted (so far as such meetings and proceedings are not regulated by the Order forming the Joint Board) in accordance with the rules as to meetings and proceedings contained in Schedule I. to that Act;

And whereas by Section 283 of the same Act it is also enacted that any expenses incurred by a Joint Board in pursuance of that Act, unless otherwise determined by the Provisional Order, shall be defrayed out of a common fund, to be contributed by the component Districts or contributory places in proportion to the rateable value of the property in each District or contributory place, such value to be ascertained according to the valuation list in force for the time being;

And whereas by Section 284 of the same Act it is also enacted that for the purpose of obtaining payment from the component Districts of the sums to be contributed by them, the Joint Board shall issue their precept to the Local Authority of each component District, stating the sum to be contributed by such Authority, and requiring such Authority, within a time limited by the precept, to pay the sums therein mentioned to the Joint Board, or to such persons as the Joint Board may direct; that any sum mentioned in a precept addressed by a Joint Board to a Local Authority as aforesaid shall be a debt due from that Authority, and may be recovered accordingly, such contribution in the case of a Rural Authority being deemed to be general expenses; that, if any Local Authority makes default in complying with the precept addressed to it, the Joint Board may, instead of instituting proceedings for the recovery of a debt, or in addition to such proceedings as to any part of a debt which may for the time being be unpaid, proceed in a summary manner as in that Act mentioned to raise within the District of the defaulting Authority such sum as may be sufficient to pay the sum due; and that for the purpose of obtaining payment from contributory places of the sums to be contributed by them, the Joint Board shall have the same powers of issuing precepts and of recovering the amounts named therein as if such contributory places formed a Rural District, and the Joint Board were the Authority thereof;

And whereas by Section 275 of the same Act it is also enacted that every Order made by the Local Government Board under Part VIII. of that Act which includes the above-recited sections, shall specify the day on which such Order shall come into operation, in that Act referred to as the commencement of the Order;

A.D. 1882.
