Provided that the Court may, if it think fit, reduce such penalty.

(6.) Subject to the provisions of this section, the sanitary authority and the Local Government Board and their inspectors shall have and may exercise for any purpose in connexion with any scheme under this section all or any of the powers vested in them under the Public Health Act, 1875, in the same manner in every respect as if the preparation and carrying into effect of such scheme were one of the general purposes of that Act:

Provided also that the Local Government Board may at any time dispense with all or any of the requirements of this subsection, subject to such conditions, if any, as they may see fit.

(7.) CITY OF YORK.

York Order. (1.)

Provisional Order for altering the York Extension and Improvement Act, 1884.

To the Lord Mayor, Aldermen, and Citizens of the City of York, being the Urban Sanitary Authority for that City; —

And to all others whom it may concern.

WHEREAS the City of York (herein-after referred to as "the City") is an Urban Sanitary District, of which the Lord Mayor, Aldermen, and Citizens, acting by the Council (herein-after referred to as "the Corporation"), are the Urban Sanitary Authority, and the York Extension and Improvement Act, 1884 (herein-after referred to as the "Local Act"), is in force in the City; 47 & 48 Vict. c. ccxxxii.

And whereas by Section 48 of the Local Act the Corporation were empowered to borrow (in addition to the moneys in that section specifically mentioned), with the sanction of the Local Government Board, such further sums as they might require for sewerage works or for works of street improvement, and any moneys which they might deem necessary for defraying any other expenses of the execution by them of the Local Act to which capital is properly applicable; and it was enacted that moneys borrowed for sewerage works should be repaid, within forty years, and moneys borrowed for any other purpose, within twenty years, from the time or times when the same should be respectively borrowed;

And whereas by Section 54 of the Local Act the Corporation were empowered, subject and according to the provisions of that Act, to exercise any statutory borrowing power as defined by Section 53 of the Local Act by the creation of York Corporation Redeemable Stock or York Corporation Irredeemable Stock:

A.D. 1891.

York Order. (1.)

38 & 39 Vict. c. 55.

Now therefore, We, the Local Government Board, in pursuance of the powers given to Us by Section 303 of the Public Health Act, 1875, and by any other Statutes in that behalf, do hereby Order that, from and after the date of the Act of Parliament confirming this Order, the Local Act shall be altered so as to provide as follows :—

Art. I. The Corporation may from time to time by resolution determine that any sum or sums which the York School Board may be by law authorised to borrow or re-borrow upon the security of any rates or funds, and which the borrowing authority may be desirous of borrowing from the Corporation, shall be lent by the Corporation accordingly.

Art. II. Any sum or sums which the Corporation shall resolve to lend as aforesaid may be raised either by the issue of redeemable stock according to the provisions of the Local Act, or by borrowing or re-borrowing the same on mortgage of the borough fund and borough rate; and the provisions of

38 & 39 Vict. c. 55.

Sections 236 to 239, both inclusive, of the Public Health Act, 1875, shall apply to all money raised by borrowing on mortgage under this Article: Provided that the Corporation shall not raise any money under the powers conferred by this Order by the issue of irredeemable stock.

Art. III. The following provisions shall apply to moneys raised under this Order and to the payment of interest and principal in respect thereof :—

(1.) The sum shall be lent by the Corporation to the borrowing authority for a period not exceeding that for which the borrowing authority is authorised to borrow or re-borrow the same, and with a provision for repayment by instalments.

(2.) The sum shall be repaid by the Corporation within a period to expire not more than one year after that for which the same was lent by them to the borrowing authority.

(3.) All sums received for interest shall be applied towards the payment of interest payable in respect of moneys raised under this Order, the balance (if any) being carried to the credit of the borough fund.

(4.) All sums received for principal shall be applied towards the repayment of the principal payable in respect of moneys raised under this Order, and until so applied shall be invested in the purchase of Exchequer bills or other Government securities, or in securities in which trustees are by law for the time being authorised to invest, or in mortgages, debentures, debenture stock, or other securities issued by any Local Authority, as

38 & 39 Vict. c. 83.

defined by Section 34 of the Local Loans Act, 1875, other than the Corporation, the Corporation being at liberty from time to time to vary and transpose such investments. The interest derived from such investments shall be applied in making good any loss or deficiency of or in the principal so invested that may arise by depreciation of the investments or otherwise, and if not required for this purpose shall be applied as if the same had been received for interest on moneys lent by the Corporation.

(5.) If any sum payable to the Corporation for principal shall not be received within six months of the time appointed for the payment thereof, a like sum shall be set apart out of the borough fund, and applied or invested in place thereof by the Corporation; and if after such application or investment the

sum, or any part thereof, shall be received by the Corporation, the same shall be carried to the credit of the borough fund:

Provided that paragraphs (2), (3), and (4) of this Article shall not be applicable to any money raised by the issue of redeemable stock; but in such case all sums received for interest and principal, or to be set apart out of the borough fund under paragraph (5) of this Article, shall be paid into the Consolidated Loans Fund.

Art. IV. The town clerk of the City shall, within twenty-one days after the expiration of each year ending on the Twenty-fifth day of March in which any sum is payable to the Corporation in respect of moneys lent by them under the provisions of this Order, and raised otherwise than by the issue of redeemable stock, transmit to the Local Government Board a return, in such form as may be prescribed by that Board, and verified by statutory declaration, if so required by them, showing, for the year next preceding the making of such return, the amounts which have been received from the borrowing authority for principal, the amounts which have been applied directly towards the repayment of the principal payable in respect of moneys raised under this Order, and the amounts which have been invested, and the description of the securities upon which any investment has been made, and the purposes to which any portion of the investment has been applied during the same period, and the total amount (if any) remaining invested at the end of the year; and in the event of any wilful default in making such return, such town clerk shall be liable to a penalty not exceeding twenty pounds, which shall be paid to the Local Government Board, and shall be recoverable by that Board in the same manner as penalties recoverable under the Public Health Act, 1875, in a summary manner may be recovered by parties aggrieved within the meaning of that Act.

Art. V. If it appears to the Local Government Board by that return, or otherwise, that the Corporation have failed to apply or invest, as required by paragraphs (4) and (5) of Article III. of this Order, any sum by those paragraphs required to be applied or invested, or have misapplied any of the investments or the produce of the sale thereof, the Local Government Board may, by Order, direct that the sum in such Order mentioned, not exceeding double the amount in respect of which such default or misapplication has occurred, shall be applied directly towards repayment of principal, or be invested, and any such Order shall be enforceable by writ of mandamus to be obtained by the Local Government Board out of the High Court.

Art. VI. Section 48 shall be altered so as to provide that, anything therein to the contrary notwithstanding, all moneys borrowed under the Local Act, with the sanction of the Local Government Board, shall be repaid within such period, not exceeding sixty years from the date of borrowing, as the Corporation may, with the sanction of the Local Government Board, in each case determine.

Given under the Seal of Office of the Local Government Board, this Fifth day of May, One thousand eight hundred and ninety-one.
