EXPLANATORY NOTE

(This note is not part of the Order)

The Order makes provision consequent upon the Local Government Finance Act 1988 (which establishes new systems of community charges and non-domestic rates).

Article 2 of the Order amends the definition of "relevant authority" in the Orders listed in paragraph (2) of that article. There is no substantive change, since the authorities to whom the original definition applied (joint authorities and rating authorities) were the same joint authorities and district councils as are referred to in the amended definition.
