Finance.

REGULATIONS MADE BY THE MINISTRY OF HOME AFFAIRS PURSUANT TO THE LOCAL GOVERNMENT (RATING AND FINANCE) ACT (NORTHERN IRELAND), 1929, AND THE LOCAL GOVERNMENT (FINANCE) ACT (NORTHERN IRELAND), 1936.

1936. No. 97.

The Ministry of Home Affairs, in exercise of the powers conferred by the Local Government (Rating and Finance) Act (Northern Ireland), 1929, 20 Geo. V, cap. 10, and the Local Government (Finance) Act (Northern Ireland), 1936, 26 Geo. V, and 1 Ed. VIII, cap. 10, and all other powers it thereunto enabling, with the approval of the Ministry of Finance, and after consultation with the Ministry of Education in regard to matters relating to education authorities, hereby makes the following Regulations :—

Short Title and Interpretation.

1.—(1) These Regulations may be cited as The Local Government (Finance) Regulations (Northern Ireland), 1936.

(2) In these Regulations the following expressions have the meanings respectively assigned to them, namely :—

"The Ministry" means the Ministry of Home Affairs.

"The Act" means the Local Government (Finance Act) (Northern Ireland), 1936.

"The 1929 Act" means the Local Government (Rating and Finance) Act (Northern Ireland), 1929.

"The Apportionment Act" means the Rating and Valuation (Apportionment) Act (Northern Ireland), 1928.

"Urban Local Authority" means the Council of a County Borough, Borough or Urban District, the Commissioners of a Town and the Water Commissioners.

"Draft Net Estimate" means the draft net estimates prepared in accordance with Article 3 of the Public Bodies Order, 1929.

"Financial Scheme" means the financial scheme required by Section 73 of the Education Act (Northern Ireland), 1923, to be furnished by each Education Committee to the Ministry of Education.

Other expressions to which special meanings are assigned by the Act or by the 1929 Act or by the Apportionment Act have the same respective meanings as in these Acts. The Interpretation Act, 1889, shall apply to these Regulations as it applies to Acts of Parliament.

Standard Grant.

2.—(1) The Ministry shall, having regard to the certified standard expenditure and the Valuation Lists issued by the Commissioner of Valuation on the 1st day of March, 1936, ascertain and certify (Form D.R.1) the annual standard grant for all local authorities other than education authorities for that year and subsequent years.

(2) The Ministry shall, having regard to the certified standard expenditure and to the Valuation Lists issued by the Commissioner of Valuation on the 1st day of March, 1936, ascertain and certify (Form D.R.1) the standard grant for education authorities in respect of the year ending on the 31st day of March, 1937, and on or before the 1st June, 1937, the Ministry shall, having regard to the certified standard expenditure and to the Valuation Lists issued by the Commissioner of Valuation on the 1st day of March in that year, ascertain and certify (Form D.R.1) the annual standard grant for education authorities.

Deficiency contribution —Mode of Payment.

3.—(1) The deficiency contribution shall be paid to the local authority accounting for the expenditure in respect of which the contribution is paid, and where the local authority to whom the contribution is paid has not the power of making the rates towards losses on account of which the contribution is payable the amount certified in respect of the year shall in all cases in which it was not estimated as a receipt in calculating the amount to be demanded from the County Council be deemed to form portion of the amount issued on demand to such authority by the County Council. Where the amount actually issued by the County Council together with the amounts of the certified deficiency contribution and the provisional revaluation contribution exceed the amount demanded from the County Council the Secretary or Clerk of the local authority shall on demand issue a Payable

Order in favour of the County Council for the amount of the excess.

(2) The deficiency contribution payable to a local authority other than an urban local authority shall be paid in four equal instalments upon the 7th day of June, the 7th day of October, the 7th day of January and the 7th day of March, but so that there shall not be paid in respect of any local financial year prior to the issue of the certificate of the Local Government Auditor, more than the amount of the standard grant, together with 60 per cent. of the provisional supplemental grant indicated in accordance with the provisions of Article 4 (4) of these Regulations.

(3) The Ministry may from time to time assent to any departure from the provisions of this Article.

Provisional Supplemental Grants.

4.—(1) Where it shall appear by reason of the excess of the draft net estimates over the standard expenditure that a supplemental grant will be required on behalf of any local authority, whether in respect of general charges or of any separate charge, the local authority shall, when submitting the draft net estimates to the Ministry, make application for a provisional supplemental grant for the ensuing local financial year.

(2) There shall be submitted, together with and as part of each such application, a full explanatory statement, signed by the Secretary or Clerk of the local authority, setting forth the causes by reason of which the draft net estimates exceed the standard expenditure and the details of the items making up such excess. Where the excess arises by reason of a service which was not in existence at the date the standard expenditure was certified, or where an existing service is extended, the statement shall show the particulars of such new service or extension. No application for a supplemental grant will be entertained in respect of any such new service or extension unless the approval of the Ministry to the new service or extension has previously been obtained.

(3) A copy of every application for provisional supplemental grant by a local authority other than the Council of a County shall be forwarded with the copy of the draft net estimates to the County Council or Councils concerned. The County Council or Councils shall submit to the Ministry not later than the 21st day of November such observations and recommendations upon the applications as they shall see fit, and in particular as to their relative urgency and importance.

(4) The Ministry, having considered the applications, together with the recommendations, if any, of the County Council or Councils, shall, if it so thinks fit, on or before the 21st day of December indicate (Form D.R.2) the maximum expenditure which will be approved for the purpose of supplemental grant and the provisional supplemental grant payable thereon.

(5) In the application of this article to education authorities and committees " financial scheme " shall be substituted for " draft net estimates," and " the Ministry of Education " shall be substituted for " the Ministry " in sub-divisions (1) and (2) ; sub-division (3) shall not apply ; a copy of each financial scheme and of each application for supplemental grant shall be furnished to the Ministry at the same time as it is furnished to the Ministry of Education, and in the first sentence of sub-division (4) for " the recommendations, if any, of the County Council or Councils." there shall be substituted " the approval of the Ministry of Education " and the words " if it so thinks fit " shall not apply.

Deficiency Contribution.

5.—(1) For the purpose of enabling the Ministry to determine finally the deficiency contribution payable in respect of any year the Local Government Auditor who audits the accounts of each local authority other than an urban local authority shall furnish to the Ministry a certificate (Form D.R.3) as to the total net expenditure of the authority in that year.

(2) The Ministry, having regard to the receipts and expenditure shown in the Abstract of Accounts of the several local authorities and to the Local Government Auditor's certificate, as aforesaid, may—

(*a*) where a provisional supplemental grant has been indicated for any local financial year certify (Form D.R.4) a substantive supplemental grant in respect of that year ; and

(*b*) by Order in accordance with the provisions of sub-section (4) of section 13 of the Act of 1929 or sub-section (6) of section 4 or sub-section (2) of section 6 of the Act reduce the standard deficiency grant in respect of a local financial year.

(3) Where the substantive supplemental grant exceeds the total of the sums paid on account of the corresponding provisional supplemental grant or where the total of such payments on account exceeds the substantive supplemental grant the next payment of deficiency contribution shall be increased or reduced as the case may be by the amount of such excess.

(4) Where the standard grant has been reduced by any Order made under paragraph (*b*) of sub-division (2) of this article from the next payment of deficiency contribution there shall be deducted the amount by which the standard grant has been so reduced.

Deficiency Contribution—Urban Local Authorities.

6.—(1) Claims by urban local authorities for payment on account of the deficiency contribution shall be made to the Ministry on or before the 25th day of May in each local financial year, and the amount to be included in each such claim shall be 90 per cent. of the product of the rates in force for that year calculated upon the difference between the total net annual value or the reduced net annual value, as the case may be, and the

rateable value or reduced rateable value of the hereditaments in the special list (Form D.R.5), required by sub-section (1) of section 19 of the Act of 1929 to be furnished by the urban local authority to the Commissioner of Valuation (hereinafter referred to as " the Special List ") for the local financial year then current.

(2) The deficiency contribution payable to an urban local authority shall be paid in four equal instalments of 22½ per cent. upon the 7th day of June, the 7th day of October, the 7th day of January and the 7th day of March in each local financial year.

(3) The clerk of each urban local authority shall, during the audit of its accounts for the local financial year, or at such other time as required, submit to the Local Government Auditor the Special List for that year as certified (Form D.R.6) by the Commissioner of Valuation, and the Local Government Auditor, having examined the Special List with the Rate Book, and having regard to the rates in force for that year, shall certify (Form D.R.7) the deficiency in respect of the hereditaments in the Special List.

(4) Where any hereditaments in the Special List has been excluded from the Local Government Auditor's certificate by reason of the non-payment of rates and such rates are subsequently recovered and brought into account the particulars of such hereditament shall be placed on a separate schedule attached to the Special List for the year in which they are brought into account and shall be specially included in the Auditor's certificate for that year.

(5) Where any refund of rates is made by an urban local authority to a ratepayer in respect of premises on account of which a deficiency contribution has been claimed the urban local authority shall immediately on making such payment notify in writing to the Ministry that such refund has been made, and during the next audit of its accounts the attention of the Local Government Auditor shall be directed specially to such refund. The particulars of such refund shall be placed on a separate schedule attached to the Special List for the year during which the refund is made, and the Local Government Auditor shall certify the amount by which the original claim exceeded the claim that should have been made had the refund been taken into consideration.

(6) All sums which any person shall be liable to pay to the local authority under the provisions of sub-section (2) of Section 19 of the Act of 1929, exclusive of the penalty therein provided, shall be specially reported to the Local Government Auditor who shall certify the amount of such sums.

(7) The clerk of each urban local authority shall forward to the Ministry the Special Lists together with the Local Government Auditor's certificates referred to in this article and shall make a claim for the deficiency contribution in respect of the local financial year. Every such claim shall include the amounts

payable in respect of hereditaments scheduled and certified in accordance with sub-division (4) of this article, and shall be reduced by the total of the sums certified in accordance with sub-divisions (5) and (6) of this article.

(8) The Ministry having examined the claim and certified the amount of the deficiency contribution, the amount by which the deficiency contribution so certified exceeds the sum of the amounts paid on account thereof in accordance with sub-division (2) of this article shall be paid together with the next instalment due in respect of the local financial year then current, or where the sum of the payments on account exceeds the amount of the deficiency contribution as certified the instalment next due shall be reduced by the amount of such excess.

(9) The Special List shall be furnished to the Commissioner of Valuation in duplicate by the clerk of each urban local authority in respect of each local financial year on or before the 1st day of May in that year and shall contain as regards each hereditament included therein the particulars indicated in the headings of columns 2 to 7, inclusive, of the form in the schedule to these Regulations. The hereditaments shall be entered in the Special List in the order in which they appear in the Rate Books, provided that hereditaments subject to differential rating, whether by deduction from valuation or abatement of rates, shall be shown in separate divisions of the List, each division containing those hereditaments which are subject to the same relief. Each division of the List shall be preceded by a statement of the rate in force and the deduction in valuation applicable thereto.

On or before the 15th day of May each Special List for the year then current shall be certified by the Commissioner of Valuation and one copy shall forthwith be returned to the local authority and one copy furnished to the Ministry by the said Commissioner.

Before submitting the Special Lists to the Auditor the clerk of the local authority shall enter the particulars indicated in the last six columns of the form.

Where the valuation distinction or the apportionment of any hereditament is varied as the result of an appeal under the provisions of the Act or the Act of 1929 or the Apportionment Act or the Valuation Acts (Northern Ireland), 1852 to 1932, the clerk of the local authority shall before submitting the Special List affected thereby to the Local Government Auditor re-submit it to the Commissioner of Valuation who shall amend the List and his certificate accordingly.

(10) For the purpose of this article the expression "rates in force" means the rates in force in the area of the local authority inclusive of the rate referred to in sub-article 13 of this Regulation but exclusive of all rates and proportions of consolidated rates in respect of which it is provided by section 3 of the Act of 1929 or by section 3 of the Finance Act (Northern Ireland), 1934, or

by section 40 of the Unemployment Act (Northern Ireland), 1934, that exemption and relief shall not apply, provided that where differential rating is affected by an abatement from rates the expression means the rates in force as here defined abated in the proper proportions. The expressions " reduced net annual value " and " reduced rateable value " mean those values reduced in the proportion in which reduction is made to give effect to a differential rating.

(11) For the purposes of section 3 (1) of the Act the sum paid to any urban local authority under section 12 of the Act of 1929 in respect of any local financial year within the period beginning on the 1st day of April, 1930, and ending on the 31st day of March, 1936, shall be deemed to be the total of the advances made to each authority during the local financial year in respect of which the claim is made, and to this total there shall be added or deducted as the case may be the amount by which the certified deficiency is greater or less than the total of such advances. Any adjustments in respect of the deficiency contribution in respect of any such year made by means of deduction from a claim for a local financial year commencing on or after the 1st April, 1936, shall not be taken into account.

(12) For enabling the Ministry to determine the rate representing the expenditure in paying any contribution or meeting any demand which, under the provisions of Section 3 of the Finance Act (Northern Ireland), 1934, and Section 40 of the Unemployment Act (Northern Ireland), 1934, shall not be taken into account for the purposes of deficiency contribution, the rate shall be deemed to be the rate as certified by the Ministry that would be required to be struck on the rateable value of the district as set out in the Valuation Lists in force on the 1st April in the financial year in which the contribution or demand is payable to produce an amount equal to the amount that would be produced by the rate laid down in the respective Acts on the rateable value of the districts as set out in the Valuation Lists in force immediately preceding the said 1st April.

(13) Where, under the provisions of the Unemployment Assistance (Temporary Provisions) (No. 2) Act (Northern Ireland), 1935, as amended by any enactment for the time being in force, the sums received by an urban local authority are not to be taken into account for the purposes of ascertaining the deficiency contribution, in addition to the poor rate actually struck for the period in respect of which the grant is payable, a poor rate in the pound equal to the rate in the pound which it is provided shall be applied to relieve the poor rate on the hereditaments and tenements rated in urban districts shall be deemed to have been struck on the valuations on which the deficiency contribution is calculated, and where the rate to be so applied is not indicated the Ministry shall ascertain the rate in the pound equivalent to the sum which it is provided shall be so applied and the rate so

ascertained shall be deemed to have been struck on such valuations.

(14) Where an urban local authority is first constituted after the 31st day of March, 1934, or the boundary of the area of an urban local authority is extended after the said day the clerk of the urban local authority shall, in order to enable the Ministry to determine the sum which the deficiency contribution payable to the urban local authority is not to exceed, obtain from the rating authorities concerned and forward to the Ministry a certified statement showing for the three years ending on the 31st day of March prior to the date on which the urban local authority is first constituted or the boundary is extended the rates struck in respect of the area forming the new urban district or the extended portion of the urban district, together with a statement showing for the three years in question the net annual value and rateable value of the hereditaments comprised in the new or extended urban district.

(15) In the application of this article to the Water Commissioners "November" shall be substituted for "May" in sub-division (9).

Revaluation Contribution.

7.—(1) For the purpose of enabling the Ministry to indicate the provisional revaluation contribution for the ensuing year the net expenditure of each local authority other than an education authority shall be taken to be the net expenditure as set out in the draft net estimates, and in the case of education authorities the net expenditure shall be taken to be that set out in the financial scheme after deducting therefrom such grants as may be payable by the Ministry of Education in respect of such net expenditure.

(2) The Ministry having examined the draft net estimates shall on or before the 7th day of January indicate (Form D.R.8) the provisional revaluation contribution for the ensuing year.

(3) The revaluation contribution shall be paid in four equal instalments upon the 7th day of June, the 7th day of October, the 7th day of January and the 7th day of March, but so that there shall not be paid in respect of any local financial year prior to the issue of the certificate of the Local Government Auditor (Form D.R.3) more than 90 per cent. of the provisional revaluation contribution indicated in accordance with the provisions of sub-divisions (2).

(4) The revaluation contribution shall be paid to or on behalf of the local authority to or on behalf of whom the deficiency contribution is paid, and where the local authority to whom the contribution is paid has not the power of making the rates towards losses on account of which the contribution is payable the amount certified in respect of the year shall in all cases in which it was not estimated as a receipt in calculating the amount to be demanded from the County Council be deemed to form portion of

the amount issued on demand to such authority by the County Council.

(5) For the purpose of enabling the Ministry to determine finally the revaluation contribution payable in respect of any year the net expenditure of each local authority shall be taken to be the net expenditure as set out in the certificate of the Local Government Auditor (Form D.R.3).

(6) The Ministry having regard to the receipts and expenditure shown in the Abstract of Accounts of the several local authorities and to the Local Government Auditor's certificate as aforesaid shall certify (Form D.R.9) a substantive revaluation contribution in respect of that year.

(7) The Ministry shall deduct from the revaluation contribution the several amounts set out in Part I of the Schedule to the Act and those amounts shall be paid by the Ministry to the Councils named in Part II of the said Schedule as specified in the said Part. The amounts so deducted shall be paid on the same dates as the revaluation contribution and shall be paid in four equal instalments.

(8) Where the substantive revaluation contribution exceeds the total of the sums paid on account of the corresponding revaluation contribution or where the total of such payments on account exceeds a substantive supplemental grant the next payment of revaluation contribution shall be increased or reduced as the case may be by the amount of such excess.

Separate Charges—Lighting.

8. The Clerk of every rural district shall close the accounts of all separate charges within his area in respect of lighting and shall transfer any debit or credit balance at the 31st March, 1936, to the general account of the rural district concerned with which such accounts shall be amalgamated.

Forms.

9. All statements, returns and certificates required by these Regulations to be made or given shall be in the appropriate forms shown in the Schedule hereto or in such other form as the Ministry may from time to time prescribe or authorise.

10. The Local Government (Finance) Regulations (Northern Ireland), 1929, and the Local Government (Finance) Regulations, 1933, are hereby revoked.

Given under the Seal of the Ministry of Home Affairs for Northern Ireland this 6th day of July, 1936.
