EXPLANATORY NOTE

(*This Note is not part of the Regulations.*)

Section 17 of the Local Government Superannuation Act 1937 enables certain contributory employees to reckon certain teaching service upon conditions which include a reduction of allowance equivalent to sums paid to them in respect of that teaching service under the Acts governing teachers' superannuation. The Local Government Superannuation (Teachers) Regulations 1954 prescribe the manner of reduction, and in so doing make various references to those Acts. The relevant provisions in those Acts have now been superseded by provisions in the Teachers' Superannuation Regulations 1967 to 1970.

These Regulations make consequential amendments in the Regulations of 1954.
