And whereas the Ratepayers of the said Town of Tunbridge Wells at two General Meetings convened for the purpose of considering the subject resolved, That it is expedient to modify the said Tunbridge Wells Improvement Act, 1846, so far as to secure to the Town the advantages of a representative local authority and a recognized head of the same.

6.—Any of the said Commissioners after going out of office, resigning, or otherwise ceasing to be a Commissioner may, if otherwise qualified, be again elected a Commissioner;

and if at any time the said Commissioners shall be fewer in number than 24, the remaining Commissioners may continue, and be as competent to act till such number is completed by election, as if no vacancy had occurred.

7.—The Clerk of the present Commissioners for execution of the said Tunbridge Wells Improvement Act, 1846, shall be the person to conduct the first election under this Order, and shall fix the day for such first election within one month of the passing of the Act confirming this Order.
