2.—The time within which it is enacted by the said 31st section of the said Waterworks Act, that the works thereby authorized shall be completed, and on the expiration of which time it is also enacted that the powers thereby granted for making such works shall cease to be exercised, shall be extended from five years, named in the said section, to three years from and after the passing of any Act of Parliament whereby this present Order shall be confirmed.

3.—The time fixed by the 55th section of the said Waterworks Act, for the commencement of a sinking fund for the payment of the principal monies borrowed under the said Act, shall be extended to the expiration of three years from the date of the passing of the Act of Parliament confirming this present Order.

And whereas the said Local Board of Health have, under the authority of the 78th Section of the Local Government Act, 1858, petitioned me, as one of Her Majesty's Principal Secretaries of State, for power to borrow and reborrow on mortgage of the rates leviable by the said Board under the Public Health Act, 1848, and the Local Government Act, 1858, a sum or sums not exceeding in the whole one year and a quarter's assessable value of the property assessable within the aforesaid District; the said sum or sums to be repaid within a period of fifty years from the date of the borrowing thereof.

And whereas the said Local Board have borrowed under that Act, and with the authority of the General Board of Health, sums, amounting in the whole to Twenty-nine thousand four hundred Pounds, to defray the expense of a portion of the works for supplying water to the said District, and for other works of a permanent nature under the aforesaid Act, which said sums nearly equal the assessable value for one year of the premises assessable under that Act within such District, but are not sufficient to defray the remainder of the cost of the aforesaid works of water supply, and of works for the sewerage of such District.

And whereas the said Board have now, under the authority of the 78th Section of the Local Government Act, 1858, petitioned me, as one of Her Majesty's Principal Secretaries of State, for powers to borrow or re-borrow for such works, on mortgage of the rates leviable by the aforesaid Local Board of Health under the powers of the Public Health Act, 1848, and the Local Government Act, 1858, a sum or sums which shall not exceed in the whole two years' assessable value of the premises assessable within the District in respect of which such sum or sums may be borrowed or re-borrowed, such sum or sums to be repaid within a period of fifty years.

And whereas after due inquiry and report by William Ranger, Esquire, the Inspector appointed by me for the purpose, I am of opinion that the prayer of such Petition should be granted; but the same cannot be done without the consent of Parliament.

Whereas, by an Order of Her most Gracious Majesty in Council, bearing date the Twenty-first day of February 1853, the Public Health Act, 1848, was duly applied to the Township of Shipley, in the Parish of Bradford, in the County of York, and the said Township was thereby constituted a District under that Act.

And whereas the Local Board of Health of the said District have borrowed under that Act, and under the Shipley Waterworks and Police Act, 1854, sums amounting in the whole to Twenty-nine thousand five hundred Pounds, to defray the expense of a portion of the works for sewering, and supplying water to, the said District, which said sums at the time the borrowing of them was sanctioned equalled the assessable value for one year of the premises assessable under that Act within such District, and the amount authorized by the second herein-before cited Act to be borrowed, but such sums were not sufficient to defray the cost of completing the works for the purposes aforesaid.

And whereas the said Local Board have, under the authority of the 78th Section of the Local Government Act, 1858, petitioned me, as one of Her Majesty's Principal Secretaries of State, for power to borrow or re-borrow, for or on account of such works of sewerage and water supply, a further sum or sums, not exceeding in the whole two years' assessable value of the premises assessable within such District; and whereas the said further sum or sums are proposed to be repaid within a period of fifty years from the date of the borrowing thereof.

And whereas, after due inquiry and report by Alfred Dickens, Esquire, the Inspector appointed for the purpose, it appears expedient that the prayer of such Petition should, to the extent herein-after set forth and described, be granted; but the same cannot be done without the consent of Parliament.

Now, therefore, in pursuance of the power now vested in me, as one of Her Majesty's Principal Secretaries of State, I do hereby, by this Provisional Order under my Hand, direct as follows:—

That from and after the passing of any Act of Parliament confirming this present Order—

The Local Board of Health for the District of Shipley, in the County of York, shall have power and authority to borrow or re-borrow, for the execution and completion of works of sewerage and water supply within such District, on mortgage of the rates leviable by them under the Local Government Act, 1858, an amount not exceeding in the whole Five thousand Pounds, over and above the amount already borrowed by the said Local Board, the said amount to be repaid, with interest thereon, within a period of fifty years from the date of the borrowing thereof.

Given under my Hand this Eighteenth day of April 1860.

(Signed) G. C. Lewis.
