CHAP. cxiv.

An Act to confirm certain Provisional Orders under "The Local Government Act, 1858," relating to the districts of Blackpool, Bristol, Eton, Heckmondwike, Kidderminster, Lincoln, Nottingham, Plymouth, South Molton, Wallasey, and Ware; and for other purposes relative to certain districts under the said Act. [14th July 1870.]

A.D. 1870.

WHEREAS the Secretary of State for the Home Department, being one of Her Majesty's Principal Secretaries of State, has, under the provisions of the Local Government Act, 1858, duly made certain Provisional Orders, which are contained in the schedule to this Act annexed; and it is provided by the aforesaid Local Government Act that no such orders shall be of any validity whatever until they shall have been confirmed by Parliament; and it is expedient that the said orders should be so confirmed, and other provisions made with respect to certain districts under the Local Government Act aforesaid:

Be it therefore enacted by the Queen's most Excellent Majesty, by and with the advice and consent of the Lords Spiritual and Temporal, and Commons, in this present Parliament assembled, and by the authority of the same, as follows:

Provisional Orders in schedule confirmed.

1. The Provisional Orders contained in the schedule hereunto annexed shall, from and after the passing of this Act, be absolute, and be as binding and of like force and effect as if the provisions of the same had been expressly enacted in this Act.

Giving the local board of Bangor the powers of a board for the purposes of the Public Libraries Act, 1855.

2. Whereas the local board of Bangor in the county of Carnarvon is the only public body in the district of the nature of a board of local improvement commissioners or trustees: And whereas it is the wish of an inhabitant of the said district to give for the public use of the inhabitants of the district a museum and library collected by him: And whereas the said local board

has no power by law to accept such museum and library, and to provide for the preservation, extension, and management thereof out of the rates levied by such board, and to exercise the other powers conferred by the Public Libraries Act, 1855, on a board acting in execution of the said Act: And whereas it is desirable that the said local board should have the powers and duties of a board of improvement commissioners or trustees under the said Act: Be it therefore enacted, That the said local board shall have and exercise all the powers and duties conferred by the said Act on boards acting in execution thereof, and that the expenses of executing the said Act in the said district shall be defrayed out of the rates levied under the said Local Government Act.

Transfer of maintenance, &c. of part of a turnpike road in the district of the Chatham local board by the turnpike trustees to the local board.

3. Whereas a negotiation has been entered into between the commissioners acting in the execution of an Act of ninth George the Third, chapter thirty-two, and the local board of health for the district of Chatham Extra in the county of Kent, for the transfer, upon the terms herein-after appearing, by the said commissioners, to the said board, of the duty of maintaining, repairing, cleansing, and watering such portion as lies within the said district of the road constructed under the said Act from Star Lane to the turnpike road on Chatham Hill, together with the ownership and property of and in such portion as aforesaid of the said road, and of and in the toll house and turnpike gate which stand toward the Chatham Hill end of the said road, and of and in the site of the said toll house, together with the tolls payable under the said Act at the said turnpike gate, and so that the said toll house, gate, and tolls shall be held by the said board clear of all mortgage debts now charged on the said tolls, and shall be dealt with and disposed of by the said board as they may deem fit: And whereas the said proposed transfer will be beneficial to the mortgagees of the said tolls and also to the said turnpike trust, by reason that the rent of the tolls received at the said turnpike gate is insufficient to keep in repair such portion as aforesaid of the said road; but doubts are entertained whether the powers contained in the Local Government Act, 1858, are sufficient to enable the said commissioners and board wholly to carry into effect the said proposed transfer: Be it therefore enacted, that after the passing of this Act it shall be lawful for the commissioners for the time being acting in the execution of the said Act of ninth George the Third, chapter thirty-two, in consideration of the acceptance and undertaking of such duty by the said board, to hand over and transfer by deed to the said board the duty of the maintenance, repair, cleansing, and watering of such portion of the said road as

lies within the district of Chatham Extra, and in like manner to grant and convey the said toll house and turnpike gate which now stands towards the Chatham Hill end of the road aforesaid, together with the fee simple and inheritance of such portion as aforesaid of the said road and of the site of the said toll house, with the appurtenances, and, together with the tolls thereafter receivable at the said turnpike gate, unto the said local board and their successors, to be held by them absolutely for the purposes of the Public Health Act, free from the provisions of the said Act of the ninth year of the reign of George the Third, and from all other Acts having relation to turnpike trusts, and from all principal moneys and interest then remaining charged upon the said tolls, and, upon the execution by the said board of such deed or deeds of transfer and grant, to pay to the said board, out of the money for the time being in the hands of the said commissioners, the sum of one hundred and fifty pounds; and that it shall be lawful for the said board, in consideration of such transfer and grant, and of such payment as aforesaid, to accept and undertake the maintenance, repair, cleansing, and watering of such portion as aforesaid of the said road, and that upon the execution by both the said parties of such deed or deeds of transfer and grant the said board shall thenceforth maintain, repair, cleanse, and water that portion so transferred to them of the said road, and shall have full power either to continue the said present toll house and turnpike gate, or to remove and re-erect the same on any other part of the said portion of road, and by their collector or by their lessee to collect and receive at such present or new gate such tolls as they may think fit, not exceeding in amount the tolls payable at the said present gate under the Act of George the Third, or at any time wholly to remove and abolish the said present or such new turnpike gate, and put an end to the tolls payable thereat, and shall also have such and the like powers of distress and sale for levying any such tolls as aforesaid as by the said Act of George the Third are vested in the said commissioners for the purpose of levying the tolls payable by virtue thereof, and shall have power to demise any such tolls, toll house, and gate for any term, and at any rent or rents, and shall have full power to pull down any such toll house, and to dispose of the materials, or to sell the same toll house and the site thereof, on such terms as they shall think fit: Provided always, that no such deed as is hereby authorised shall have any operation unless executed by not less than fifteen of the said commissioners and by the said board, nor unless or until the consent in writing of at least two thirds in value of the

persons entitled to the principal mortgage debt of eight thousand pounds or other the principal sum or sums now due on the credit of the tolls payable under the said Act of ninth George the Third, or, so far as any such persons shall be under incapacity, of his or their guardians, parents, committees, or trustees, shall be obtained thereto.

Power to the local board of Kidderminster to impose penalties for obstructing or fouling the river Stour, or erecting buildings in, upon, or over the river.

4. Whereas the town council acting as the local board for the borough of Kidderminster in the county of Worcester have no power under any Act administered by them to impose penalties for the obstruction and fouling the river and other waters in their district by the throwing of ashes, stones, dung, and other rubbish into the river, and the erection of buildings so that the refuse therefrom falls into the said river and waters: And whereas it is desirable that the said town council should be empowered to prevent such obstruction and fouling: Be it therefore enacted, that if any person shall throw any ashes, cinders, stones, dirt, dust, mud, dung, rubbish, or other filth whatsoever into any part of the river Stour, or of the mill pond of the mill called Caldwall Mill or the Back Brook running therefrom, or from the watercourse called Daddle Brook, within the district of the local board of the borough of Kidderminster in the county of Worcester, or put or place the same so near thereto as to fall therein, or erect or place any building in, upon, or over any part of the said river or brook, every such person or persons offending in any of the cases aforesaid shall for every such offence forfeit and pay any sum not exceeding five pounds, and a further sum not exceeding five shillings for each and every day any building so erected shall continue.

Change of name of "District and local board of Monks Coppenhall" to "District and local board of Crewe."

5. Whereas in the township of Monks Coppenhall in the county of Chester the provisions of the Local Government Act, 1858, were duly adopted, and a local board duly constituted for the said township by the name of the Monks Coppenhall Local Board: And whereas the said township forms part of the town of Crewe, and is usually and commonly known as the town of Crewe: And whereas the local board for the said district have adopted the name of the Crewe Local Board in lieu of the name of the Monks Coppenhall Local Board, but doubts are entertained whether such change of name is legal without the authority of Parliament: Be it therefore enacted, that the said district shall henceforth be styled "the Crewe Local Board District," and the local board thereof the "Crewe Local Board," and all contracts heretofore entered into and all liabilities incurred by and all transactions or proceedings by or on behalf of or in relation to the said local board and district by the name of the Crewe Local Board shall, to all interests and purposes,

be as valid and effectual as if the same had been in the name of the Monks Coppenhall Local Board or district. A.D. 1870.

Act incorporated with 21 & 22 Vict. c. 98.

6. This Act shall be deemed to be incorporated with the Local Government Act, 1858, and shall be as if this Act and the said Local Government Act were one Act.

Short title.

7. In citing this Act in any other Act of Parliament, or in any proceeding, instrument, or document whatever, it shall be sufficient to use the words and figures "The Local Government Supplemental Act, 1870."

2. The said 88th section shall be altered by the addition thereto of the following provision: "That if any wagon, cart, caravan, stage coach, "chaise, gig, barrow, or any other carriage or vehicle of any sort or "kind whatsoever, be at any time found remaining or standing in any "highway within the district of the said Local Board for the said city "of Lincoln, longer than shall be actually necessary for the loading or "unloading thereof, without any person having the charge thereof, any

WALLASEY.

Provisional Order repealing and altering parts of Local Acts in force within the District of the Wallasey Local Board.

Whereas petitions have been presented to me as one of Her Majesty's Principal Secretaries of State, under the 77th section of the Local Government Act, 1858, from the Wallasey Local Board, in the county of Chester, praying for the partial repeal and alteration of certain Local Acts in force within the said district; viz.,

An Act passed in the eighth year of the reign of Her Majesty Queen Victoria, intituled "An Act for paving, lighting, watching, cleansing, and otherwise improving the parish of Wallasey in the county of Chester, and for establishing a police, and also a market, within such parish; and for other purposes;"

An Act passed in the twenty-first and twenty-second years of the reign of Her Majesty Queen Victoria, intituled "An Act for enabling the Local Board of Health for the district of Wallasey to construct works and supply their district with water and gas; for enlarging their powers with respect to the acquisition and maintenance of ferries; and for other purposes;" and

An Act passed in the twenty-seventh and twenty-eighth years of the reign of Her Majesty Queen Victoria, intituled "An Act to confer further powers on the Wallasey Local Board; and for other purposes:"

And whereas, in pursuance of the said Local Government Act, inquiry has been directed and made in the said district in respect of the several matters mentioned in the said petitions, and report duly made to me thereon by Arnold Taylor, Esquire, the Inspector appointed for the purpose:

And whereas it is desirable that authority should be given to the said Local Board to exercise the power conferred by the Local Government Act, in certain cases of borrowing, up to twice the assessable value of their district, and for this purpose it is necessary that the limitation to thirteen thousand pounds, of the power to borrow conferred by a Provisional Order bearing date the ninth day of June one thousand eight hundred and sixty-three, and confirmed by the Local Government Supplemental Act, 1863, (No. 2,) be removed, but no Provisional Order for such purpose can be valid without confirmation by Parliament:

Now, therefore, in pursuance of the powers vested in me by the said Local Government Act, I, as one of Her Majesty's Principal Secretaries of State, do, by this Provisional Order under my hand, direct, that from and after the passing of any Act of Parliament confirming this Order,—

1. The two hundred and ninety-third section of the said firstly herein-before recited Act, which provides, "that no person shall be liable to be rated "under this Act to the said Improvement Rate in respect of his being "the owner or occupier only of any property under the actual annual "value of ten pounds, such value to be ascertained either according to "the amount of rent actually paid for such property, or in such other

A.D. 1870.

" manner as the Commissioners may determine, and that in respect of " any such property the said lighting rate shall be chargeable upon the " owner, and not upon the occupier thereof," shall be repealed.

2. Provided always, that no such person as aforesaid shall be liable to be rated to any general district rate made for the payment under the power given by the thirty-sixth section of the Wallasey Improvement Act, 1867, of any deficiency in the aggregate from time to time in the Wallasey Waterworks Account, the Wallasey Lighting Account, and the Wallasey Ferries Account, respectively referred to in the Act of 1858, whether under that Act or the Acts of 1861 and 1864, or either of them, or this Act, or to any General District Rate, in respect of any payments towards such deficiency.

3. The sections of the said secondly herein-before recited Local Act, numbered respectively 69 to 79, both inclusive, containing regulations with respect to buildings in the said district, shall be repealed.

4. The sections in the said firstly herein-before recited Local Act providing for matters now provided for by Acts in force within the said district, and numbered respectively 63, 69, 166 to 171, both inclusive, 192 to 197, both inclusive, 278, 279, and 280, shall be repealed.

5. The section in the said thirdly herein-before recited Local Act numbered 36, and enacting that "after the passing of this Act no person shall be " qualified to vote at any election of members of the Local Board " unless he shall for at least twelve months prior to the day of election " have been rated to the amount of at least ten pounds to the rate for " the relief of the poor within the district, or to some rate leviable by " the Local Board, and unless he shall, prior to the day of election, have " paid all rates then due from him to the Local Board, except such as " shall have been made or become due within six months immediately " preceding the day of tendering his vote," shall be repealed.

6. So much of the herein-before recited Provisional Order as limits the powers of the said Local Board thereby given to borrow for the purposes therein described to the amount of thirteen thousand pounds shall be repealed, and the Local Board shall be authorized from time to time to borrow for permanent works to the amount of twice the assessable value of the premises assessable under the Local Government Act in the said district; all sums so borrowed to be borrowed with the sanction of one of Her Majesty's Principal Secretaries of State, and to be repaid, with interest thereon, within a period of fifty years from the borrowing thereof.

Given under my hand, this ninth day of May in the year one thousand eight hundred and seventy.

WARE.

A.D. 1870.

Provisional Order putting in force the Lands Clauses Consolidation Act, 1845, within the District of the Ware Local Board of Health, for the Purchase of Lands by the said Board for Utilization of Sewage.

Whereas the Local Board of Health for the district of Ware in the county of Hertford, to which the Public Health Act, 1848, was duly applied, and in pursuance of the provisions of the 75th section of the Local Government Act, 1858, and after complying with the requirements of that section by duly giving and serving all notices thereby directed, presented a petition, under the seal of the said local board, to one of Her Majesty's Principal Secretaries of State, for authority to put in force the Lands Clauses Consolidation Act, 1845, to enable the aforesaid Local Board of Health to purchase, otherwise than by agreement, certain pieces of land required for the utilization of the sewage of their district by irrigation:

And whereas the said petition, and the schedule thereto annexed, duly set forth and described the pieces of land intended to be taken by such board for such purpose, and the names of the owners, lessees, and occupiers of the aforesaid pieces of land who have assented, dissented, and are neuter in respect of the taking such pieces of land, or who have returned no answer to the notice issued by such board; and such petition prayed that the said board might, with reference to such land, be allowed to put in force the powers of the Lands Clauses Consolidation Act aforesaid, with respect to the purchase and taking of land otherwise than by agreement; and on the receipt of such petition Her Majesty's Principal Secretary of State for the Home Department directed Robert Morgan, Esq., C.E., the inspector appointed for the purpose, to visit the said district, and the said inspector has now inquired in the district aforesaid into the subject matter of such petition, and has duly reported thereon:

Now, therefore, I, as Her Majesty's Principal Secretary of State for the Home Department, do hereby, in pursuance of the powers vested in me by the Local Government Act, 1858, make order and direct,—

That from and after the passing of any Act of Parliament confirming this Order,—

1.—The aforesaid Local Board of Health for the district of Ware shall be empowered to put in force, with reference to the lands referred to and described in the schedule to this Order annexed, the powers of the Lands Clauses Consolidation Act, 1845, with respect to the purchase and taking of land otherwise than by agreement for the purpose herein-before set forth and described.

Given under my hand, this ninth day of May one thousand eight hundred and seventy.
