EXPLANATORY NOTE

(*This Note is not part of the Order.*)

This Order amends the London Cab Order 1934 in relation to the fares prescribed for the hiring of a motor cab in the Metropolitan Police District and the City of London in respect of journeys beginning and ending there. It makes provision for the fares payable where a cab is fitted with an electro-mechanical taximeter which, in consequence of a recalibration of the meter, is capable of recording part only of the scale of fares introduced by the London Cab Order 1980. The conversion from fares shown on the meter (from £2.90) to fares payable by the hirer is set out in the Schedule to the Order. The Order does not increase the existing fares payable for the hiring of a cab.
