Alleys, Passages, and Places of the said Town of *Manchester*, by widening, opening, or altering the same, and otherwise as expressed and mentioned in such Acts, the Costs, Charges, and Expences of the said Improvements being to be supplied and discharged by means of the Monies which the Directors acting in execution of the said first-recited Act shall subsequently to the passing of the said third-recited Act have paid over or shall pay over to the said Commissioners, pursuant to the said second and third recited Acts, for the Purposes of improving the said Town of *Manchester*, as in the said last-mentioned Acts also expressed: And whereas the said Commissioners and the said Improvement Committee, or one of those Bodies, in the Exercise of the said Powers and Authorities, have already effected several Improvements in the said Town: And whereas it is expedient to widen and improve so much of a certain Street or Place in the said Town of *Manchester* called *London Road* as extends from or near a certain other Street or Place there called *London Place* to or near a certain other Street or Place partly in *Chorlton Row* and partly in *Ardwick* (both in the Parish of *Manchester*) called *Downing Street*; and it is also expedient to make within and contiguous to the said Town of *Manchester* several further Improvements; and in widening and improving the said Street or Place called *London Road*, and in making the said other Improvements, it will be necessary to widen the Bridge over the River *Medlock* in *London Road* aforesaid, and also the Bridge over the River *Irk* at a certain Place in the said Town called *Hunt's Bank;* but the said several Objects cannot be effected without the Authority of Parliament: May it therefore please Your Majesty that it may be enacted; and be it enacted by the King's most Excellent Majesty, by and with the Advice and Consent of the Lords Spiritual and Temporal, and Commons, in this present Parliament assembled, and by the Authority of the same, That from and after the passing of this Act the said Four several recited Acts, and all the Powers, Authorities, Provisions, Regulations, Directions, Matters, and Things whatsoever respectively therein contained, (as the same Acts, Powers, Authorities, Provisions, Regulations, Matters, and Things may be when construed and applied collectively and together), shall extend and apply to, and be construed to extend and apply to, and be exercised by the said Directors, Commissioners, and Improvement Committee, and each and every of those Bodies, and shall operate and be in force as fully and effectually for effecting the several Improvements and Alterations within and contiguous to the said Town of *Manchester* specified or mentioned in the Schedule to this Act annexed, which is to be taken, deemed, and construed to be Part of this Act, and for the general Purposes of this Act, as if the same were herein repeated and re-enacted and made Part hereof, and as if the said Schedule had been annexed to and formed Part of the said third-recited Act.

Powers of the former Acts relative to Improvements shall apply to the Improvements specified in the Schedule to this Act.

Commissioners empowered to widen Bridges over the Medlock and Irk.

II. And be it further enacted, That in order to complete and perfect the widening and improving of the said Street or Place called *London Road*, and the Improvement at *Hunt's Bank* aforesaid, contemplated by the said Schedule, it shall and may be lawful for the said Commissioners to widen and otherwise alter the said Bridges over the Rivers *Medlock* and *Irk* in such Manner and to such an Extent as may be deemed expedient or necessary: Provided always, that notwithstanding such widening and altering of the said Bridges, or such of them as shall happen

to be a County or Hundred Bridge, the Inhabitants at large of the County or Hundred shall thereafter continue liable to repair and maintain the same, and such widening and altering shall be done and performed in such Manner and under such Superintendence as is directed by any Act or Acts of Parliament now in force with regard to Bridges to be erected, which the Inhabitants of Counties shall or may be bound or liable to repair and maintain.

Improvements must be made within a limited Period.

III. Provided always, and be it further enacted, That if the several Lands, Houses, Buildings, and other Premises mentioned in the said Schedule to this Act annexed, or so much thereof as may be deemed necessary for the Purposes of this Act, shall not, within the Space of Four Years next after the passing of this Act, be agreed for, valued, and paid for in manner by the said second and third recited Acts and this Act directed, then and from thenceforth the Powers hereby given for those Purposes shall cease, determine, and be utterly void, except with the Consent of the Owners and Occupiers of the said Lands, Houses, and Buildings respectively.

All the new Buildings to be erected according to a Plan and Elevation.

IV. And be it further enacted, That all and every the Houses and Buildings, or Parts of Houses and Buildings, to be erected and built in lieu of those authorized to be purchased and taken down by virtue of this Act or of all or any of the said recited Acts, or upon the Site of any of the Land which, in consequence of the Improvements thereby respectively authorized, or any of them, will become Front Land, shall be erected and built according to such Plan or Plans for the outside Front or Elevation thereof as the said Improvement Committee for the Time being of the said Town shall approve of.

Hoards, &c. to be set up for the Protection of Passengers against Injury from Buildings, &c.

V. And be it further enacted, That all Persons whosoever, who shall erect and build, or cause to be erected and built, any such House or Building, or any other House or Building, upon any vacant Land in the said Town of *Manchester*, or who shall take down or begin to take down any House or other Building whatsoever within the said Town of *Manchester*, or cause the same to be so done, or who shall alter or repair, or begin to alter or repair the external Part or Parts or Roof or Roofs thereof, shall before any such Work shall be begun cause proper and sufficient Hoards, Fences, and Stages, according to the Orders and Regulations of the said Commissioners, to be erected and set up to guard such House and Building from the Street, Lane, or other public Place or Passage near thereto; and shall also place and lay down, according to the Orders of the said Commissioners, sufficient temporary Footpaths at the Outside of the said Hoards, Fences, and Stages, and shall continue such Hoards, Fences, Stages, and Footpaths standing and in good Condition during such Time as the said Commissioners shall judge necessary for the public Safety, and as they shall by Notice in Writing to be signed by their Clerk or Clerks, and to be affixed upon or left at any such House or Building, order and direct; and if any such Person or Persons shall refuse or neglect to erect and set up and place any such Hoards, Fences, Stages, or Footpaths as aforesaid, or any of them, or shall not continue the same standing and in good Condition as aforesaid, or shall not remove the same when required by the said Commissioners by Notice in Writing, to be signed and affixed or left as aforesaid, then and in either

of

of the said Cases every such Person shall for every such Offence forfeit and pay the Sum of Forty Shillings for each and every Day he shall so refuse or neglect to erect and set up and place, or to continue standing and in good Condition, or to remove, the same Hoards, Fences, Stages, and Footpaths, or any of them, to be recovered or mitigated in like Manner as any Penalty imposed by the said recited Acts or any of them.

Authorizing Improvement Committee to receive or make Contributions towards the Expence of Improvement.

VI. And whereas the said Improvement Committee are by the said third recited Act authorized to contract and agree with the Owners thereof for the absolute Purchase of any Messuages, Houses, Buildings, Walls, Lands, Tenements, or Hereditaments situate within the said Town of *Manchester* which the said Improvement Committee may consider proper and necessary to be purchased for widening, opening, altering, or improving any of the Streets, Squares, Lanes, Alleys, Passages, and Places within the said Town: And whereas it is probable that the Owners of Property within the Town of *Manchester* will feel induced to promote various Improvements therein by voluntary Contributions towards the Costs and Expences thereof, and it is expedient that the said Improvement Committee should be specially empowered to use their Discretion in applying for and taking the said Contributions in Cases where they may deem the same to be proper and necessary, and also that they should be empowered to contribute in such Proportions and Sums as they may deem proper to the making of such Improvements by the Parties interested therein, in Cases where such Parties are willing to undertake the same; be it therefore enacted, That it shall and may be lawful for the said Improvement Committee for the Time being to apply for, receive, and take, from the Owners or Occupiers of Lands and Buildings adjoining or contiguous to the Premises which may be required for such Improvements, and from any other Persons, such Sums of Money as they the said Owners or Occupiers and other Persons may be willing to contribute for or towards the Purchase of the Lands or Buildings which may be required for all or any of such Improvements, and the Costs and Charges of effecting the same; and also for the said Improvement Committee to contribute, in such Proportions and Sums as they may deem proper, (subject to the Restrictions and Limitations contained in the said third-recited Act as to the Amount,) towards the Charges and Expences of making any such Improvements by the Parties interested therein as the said Parties may be willing to undertake and complete upon Plans and Scales to be approved of by the said Improvement Committee.

Commissioners restrained from taking down certain Part of the Mill belonging to the Free Grammar School in Manchester.

VII. Provided always and be it further enacted, That the said Directors, Commissioners, or Improvement Committee, or any of those Bodies, shall not, in making any Improvements in the said Town of *Manchester*, take down or use any Part or Parts of a certain Mill in *Manchester* aforesaid, occupied by the Feoffees or Trustees of the Free Grammar School there, and adjoining to a Street, Way, or Passage called the *Mill Brow*, other than such Part of the said Mill as stands on the West of a Line to be drawn from a Point on the Northerly Side of the said Mill adjoining the River *Irk* Eight Feet from the Westerly End of such Mill to another Point on the Southerly Side of the said Mill Fifteen Feet from the said Westerly End thereof.

Bridge over the Irk to

VIII. And be it further enacted, That the Bridge intended to be erected over the River *Irk* at or near a Street, Way, or Passage in *Manchester* aforesaid

aforesaid called the *Mill Brow*, and the Piers, Abutments, and other Works of or belonging to or connected with such Bridge, shall be so built, formed, and constructed as not to impede or obstruct the free Current and Flow of the Water down or along the said River *Irk*, or down or along any Goit or Sluice of the said Mill or Mills, and so also as not to cause the Water to back upon any Wheel or Wheels of or belonging to such Mill or Mills or any of them.

be constructed so as not to obstruct the Waterway.

IX. And in order to obviate Doubts in the Construction of and to amend the Powers, Authorities, and Provisions in the said third-recited Act contained relative to the levelling, paving, repairing, and otherwise completing, with Footways, Gutters, Sinks, Drains, Sewers, and Watercourses, such of the present and future Streets, Ways, Lanes, Passages, Courts, Squares, and Places within the said Town of *Manchester* as are not repairable or maintainable at the Expence of the Inhabitants at large of the said Town, be it enacted, That the said Powers, Authorities, and Provisions shall apply to and be exercised and carried into full Effect in and throughout the whole of every such Street, Way, Lane, Passage, Court, Square, and Place to be levelled, paved, drained, repaired, and otherwise completed as aforesaid, and which for the Purpose of those Powers, Authorities, and Provisions shall be deemed continuous and entire, notwithstanding the same or any Part or Parts thereof may include, pass over, lie opposite, or be adjacent to any cross or other Streets, Ways, Lanes, Passages, Courts, Squares, and Places, or any Part or Parts thereof; and that the Owners and Occupiers of Messuages or Dwelling Houses, Buildings, Lands, and Tenements, within or adjoining such Streets, Ways, Lanes, Passages, Courts, Squares, and Places, shall collectively be required, by the Notice in that Behalf prescribed by the said third-recited Act, to level, pave, drain, repair, and otherwise complete the same, or any Part or Parts thereof, in such Manner as the said Commissioners may think necessary; and in case of the same not being levelled, paved, drained, repaired, and otherwise completed accordingly for the Space of Six Calendar Months next after the Receipt, leaving, or fixing of such Notice as in the said third-recited Act is mentioned, then and in every such Case it shall and may be lawful to and for the said Commissioners to cause the same to be levelled, paved, drained, repaired, and otherwise completed as aforesaid.

Explaining certain of the Provisions of the former Act.

X. And be it further enacted, That all the Costs, Charges, and Expences of and attending the Work done by or by Order of the said Commissioners, in levelling, paving, draining, repairing, and otherwise completing any of the said Streets, Ways, Lanes, Passages, Courts, Squares, and Places, or any Part or Parts thereof, which may have been so levelled, paved, drained, repaired, and otherwise completed, as last aforesaid, notwithstanding the same may include, pass over, lie opposite, or be adjacent to the said cross or other Streets, Ways, Lanes, Courts, Squares, Passages, and Places, or any Part or Parts thereof, shall be paid and reimbursed to the said Commissioners by the Owners and Occupiers of the Messuages or Dwelling Houses, Buildings, Lands, and Tenements within or adjoining to each such Street, Way, Lane, Passage, Court, Square, and Place which may have been so levelled, paved, drained, repaired, and completed as aforesaid, the said several Owners and Occupiers paying their respective Shares of the whole of such Costs, Charges, and Expences, as the same shall or may be ascertained and settled by or

Power of Distraint granted to Commissioners.

by the Order of the said Commissioners, according to the relative Extents in Length along each such last-mentioned Street, Way, Lane, Court, Square, Passage, and Place, of so much of the Sides and Portions of the said respective Messuages or Dwelling Houses, Buildings, Lands, and Tenements, as shall be within, front, face, or adjoin thereto, the Owners and Occupiers of any corner House, Houses, or Land being nevertheless only charged with their proper Share and Proportion thereof in respect of the relative Extent along such Street, Way, Lane, Passage, Court, Square, and Place, and not for any greater Extent, by reason of the Ownership of the Land of any such cross Street or any Part thereof; and the said several Shares shall and may be levied and recovered in the Manner prescribed by the said third-recited Act for levying and recovering the Costs, Charges, and Expences of levelling, paving, repairing, and otherwise completing the Streets, Ways, Lanes, Courts, Squares, Passages, and Places therein in that Behalf mentioned, or, at the Discretion of the said Commissioners, by Action of Debt, Bill, Plaint, or Information, at the Suit of them the said Commissioners, in any of His Majesty's Courts of Record at *Westminster*, or in the Court of Common Pleas at *Lancaster*, wherein no Essoign, Protection, or more than One Imparlance, shall be allowed.

Where any Streets repairable by the Public are crossed, the Public to remain liable to the Repair.

XI. And be it further enacted, That if any of the said Streets, Ways, Lanes, Passages, Courts, Squares, or Places intended to be levelled, paved, drained, repaired, and otherwise completed as last aforesaid, or any Part or Parts thereof, shall happen to include, pass over, lie opposite, or be adjacent to any cross or other Street, Way, Lane, Passage, Court, Square, or Place now repairable at the Expence of the Inhabitants at large of the said Town of *Manchester*, or any Part or Parts thereof, the same shall be and continue so repairable, and be excepted from the Powers, Authorities, and Provisions herein and in the said third-recited Act contained, relative to the Liability of Owners or Occupiers for or concerning the levelling, paving, draining, repairing, and otherwise completing the same; any thing herein-before or in the said third-recited Act expressed or implied to the contrary thereof notwithstanding.

Act not to extend to Streets already paved, &c. or begun to be paved, &c.

XII. Provided also, and be it further enacted, That nothing herein contained shall extend or be construed to extend to any Street, Way, Lane, Passage, Court, Square, or Place which shall before the passing of this Act have been levelled, paved, repaired, and otherwise completed under the Authority of the said third-recited Act, nor to any Street, Way, Lane, Passage, Court, Square, or Place in which such levelling, paving, repairing, or otherwise completing shall at the Time of the passing of this Act have been actually begun, nor shall any thing herein contained in any way affect or alter the Liability of any Party or Parties to pay and discharge the Costs, Charges, and Expences of the making of any Footways, Gutters, Sinks, Drains, Sewers, and Watercourses, except so far as such Liability, or the Mode of contributing to such Costs, Charges, and Expences, is hereby expressly altered.

Costs of Act.

XIII. And be it further enacted, That all Costs, Charges, and Expences of and attending the applying for, preparing, obtaining, and passing of this Act shall be paid and discharged by the said *Manchester* Commissioners out of the first Monies which after the passing of this Act

shall be by the said Directors paid over to the said Commissioners pursuant to the said third-recited Act.

XIV. And be it further enacted, That this Act shall be deemed and taken to be a Public Act, and shall be judicially taken notice of as such by all Judges, Justices, and others, without being specially pleaded. Public Act.
