These Regulations make two amendments to the Material Development Regulations 1967. First they extend the exception from material development made by paragraph 7(2)(*d*) of the Schedule to those Regulations in respect of extensions and alterations of buildings by industrial undertakers to cases where an industrial development certificate is required. Secondly they extend the exception made by paragraph 14 of the same Schedule in respect of user of land as a caravan site to cases where standard condition 1 of Schedule 1 to the Town and Country Planning General Development Order 1963 (S.I. 1963/709) is not complied with.
