The Medical Acts (Province of Saskatchewan) Order, 1949

1949 No. 2392

Made - - - - 21st December, 1949

At the Court at Buckingham Palace, the 21st day of December, 1949

Present,

The King's Most Excellent Majesty in Council

Whereas by the Medical Act, 1886(a), it is provided (amongst other things) that His Majesty may, from time to time, by Order in Council, declare that the Second Part of the said Act shall be deemed, on and after a day to be named in such Order, to apply to any British Possession which, in the opinion of His Majesty, affords to the Registered Medical Practitioners of the United Kingdom such privileges of practising in the said British Possession as to His Majesty may seem just; and that from and after the day named in such Order in Council such British Possession shall be deemed to be a British Possession to which the said Act applies within the meaning of the said Second Part thereof, but that until such Order in Council has been made in respect of any British Possession the said Second Part of the said Act shall not be deemed to apply to any such Possession:

And Whereas by the Medical Act (1886) Amendment Act, 1905(b), it is provided that for the purposes of the Medical Act, 1886(a), where any part of a British Possession is under a Central and also under a Local Legislature, His Majesty may, if He thinks fit, by Order in Council, declare that the part which is under the Local Legislature shall be deemed a separate British Possession:

And Whereas the Province of Saskatchewan, in the Dominion of Canada, is under a Central and also under a Local Legislature:

And Whereas the said Province of Saskatchewan affords, in His Majesty's opinion, to the Registered Medical Practitioners of the United Kingdom such privileges of practising in the said Province as to His Majesty seem just:

Now, therefore, His Majesty doth hereby, by and with the advice of His Privy Council, order and declare that the Province of Saskatchewan, in the Dominion of Canada, shall be deemed a separate British Possession, and that the Second Part of the Medical Act, 1886(a), shall be deemed to apply to the said Province of Saskatchewan on and after the twenty-first day of December, 1949.

This Order may be cited as the Medical Acts (Province of Saskatchewan) Order, 1949.
