(This Note is not part of the Order, but is intended to indicate its general purport.)

Under Part III of the Medical Act, 1956, medical practitioners with a recognised qualification in a Commonwealth or foreign country to which Part III applies may be registered in the United Kingdom as Commonwealth practitioners or foreign practitioners, as the case may be. Under s. 19 of the Act, a country may be declared to be a Commonwealth or foreign country to which Part III applies if Her Majesty in Council is of opinion that it affords just privileges of practising there to persons registered in the United Kingdom.

This Order declares the Uganda Protectorate to be a Commonwealth country to which Part III applies.
