The Merchandise Marks (Imported Goods) No. 2 Order 1928, as amended, prohibits the importation or the sale or exposure for sale in the United Kingdom of electric incandescent lamps having bulbs over 15 millimetres in diameter unless an indication of origin is indelibly marked on the bulb.

This Direction exempts any lamp described in the Schedule from having itself to bear an indication of origin, but requires that the indication be indelibly marked on its carton or container.

Under section 3 of the Merchandise Marks Act 1926 the Direction will remain in force for twelve months unless during that period it is withdrawn by the Board, or the Order of 1928 is amended in respect of those goods.
