The rules approved by this Order revoke and replace with certain amendments the Medical Disciplinary Committee (Procedure) Rules, 1951, which have hitherto regulated procedure in connection with erasure of names from the register of medical practitioners for conviction of crime or for infamous conduct, or on grounds of fraud or error, and, in certain circumstances, the restoration of names to the register.

(*a*) the rule relating to the reception of evidence by the Committee has been widened and clarified (r. 43).

(*b*) amendments in pursuance to the Medical Act, 1956, have been made throughout the rules;

(*c*) the opportunity has been taken of making a number of other amendments, and in particular—

(i) provisions in Parts II and III relating to the issue of notices of inquiry have been clarified;

(ii) the Committee are now empowered to find a practitioner guilty of infamous conduct before they determine whether to postpone judgment (r. 23); and

(iii) the procedure for making application for restoration has been prescribed more fully (r. 39).

EXPLANATORY NOTE

(This Note is not part of the Order, but is intended to indicate its general purport.)

This Order, which amends the Merchandise Marks (Imported Goods) No. 4 Order, 1930, prescribes additional methods of indicating the origin of imported refractory bricks, blocks and tiles not made from molten materials by enabling the indication to be painted or stencilled on each brick, block or tile or on the container (if any) in which it is imported, sold or exposed for sale as the case may be.

Hitherto under the principal Order the only permissible method of marking was by impressing or embossing the indication of origin on each brick, block or tile.

The Order also incorporates the effect of the earlier amending Order (S.R. & O. 1937/720) which is accordingly revoked.
