The Metal Containers Licence, 1949

1949 No. 978

Made - - - -	20*th May*, 1949
Laid before Parliament	23*rd May*, 1949
Coming into Operation	26*th May*, 1949

The Board of Trade in pursuance of paragraph (1) of Article 1 and paragraph (1) of Article 3 of the Control of Containers and Packaging (No. 4) (General) Order, 1945(a), as amended(b), hereby issue the following Licence:—

1. Any person may incorporate controlled material in a metal container of a description specified in the first column of the Schedule hereto.

2. Any person may, at any time after the 25th day of July, 1949, package for distribution or disposal in the United Kingdom any oil of a type specified in the second column of the Schedule hereto in a metal container of a description specified in the first column.

3. This Licence may be cited as the Metal Containers Licence, 1949, and shall come into operation on the 26th day of May, 1949.

Dated this 20th day of May, 1949.

John Edwards,
Parliamentary Secretary to the Board of Trade.

SCHEDULE

Description of Metal Container	Type of Oil
Capacity	
8 fluid ounces	Cycle Oil,
Type	
Round, rectangular or oval, with screw neck, with or without spout.	Household Oil,
The ratio of the height to the diameter, longer side or major axis, respectively, to be 1¼ to 1.	Penetrating Oil,
In the case of rectangular and oval tins, the ratio of longer to shorter side and major to minor axis, respectively, to be not more than 2 to 1.	Typewriter Oil, Light Lubricating Oil.

EXPLANATORY NOTE

(This Note is not part of the Licence, but is intended to indicate its general purport.)

This Licence authorizes—

(*a*) the use in the manufacture of the metal containers specified in the Schedule of tinplate, terne plate, black plate and other material described in the Control of Containers and Packaging (No. 4) (General) Order, 1945, as "controlled material"; and

(*b*) the packing of the oils specified in the Schedule in those containers for distribution or disposal in the United Kingdom.

(a) S.R. & O. 1945 (No. 1509) II, p. 1388.
(b) S.R. & O. 1946 (No. 407) II, p. 62 and S.I. 1949 No. 350, p. 228 above.
