EXPLANATORY NOTE

(*This Note is not part of the Regulations.*)

These Regulations amend the Milk and Meals (Education) (Scotland) Regulations 1971.

Part II with effect from 15th August 1979 provides for an increase in the charge for the school midday meal from 25p to 30p and in the case of pupils receiving special education for an increase in the maximum charge for the midday meal from 12½p to 15p. It also raises the levels of net weekly income below which a parent qualifies for remission of the charges.

Part III with effect from 12th November 1979 raises those levels further and also raises the maximum deductible expenses for the weekly cost of any special diet prescribed by a registered medical practitioner.
