Revocation

22. The Further Education Grant Regulations, 1946(a), the Further Education Grant Amending Regulations No. 1, 1946(b), the Further Education Grant Amending Regulations No. 2, 1948(c), the Further Education Grant Amending Regulations No. 3, 1950(d), and the Further Education Grant Amending Regulations No. 4, 1955(e) are hereby revoked.

Given under the Official Seal of the Minister of Education this 10th day of March, 1959.

(L.S.)

Geoffrey Lloyd,
Minister of Education.

EXPLANATORY NOTE

(This Note is not part of the Regulations, but is intended to indicate their general purport.)

These regulations revoke the existing regulations relating to grant to institutions providing further education, and replace them by shorter and simpler provisions applicable to bodies other than local education authorities. (Provision is made in regard to the latter by the Further Education (Local Education Authorities) Regulations, 1959 (S.I. 1959/393)). The only change of any substantial importance is the omission of the regulation requiring the Minister's approval for arrangements governing the admission of students and tests of progress.

Milk Grant

4.—(1) Subject to the provisions of these regulations, the Minister shall pay grant at the rate of one hundred per cent. in respect of the net recognisable expenditure incurred by an authority—

(*a*) in providing milk for pupils in attendance at schools maintained by the authority and for students who have not attained the age of eighteen years in full-time attendance at establishments for further education maintained or assisted by the authority; and

(a) 52 & 53 Vict. c. 63.

(*b*) in purchasing milk for pupils in attendance at schools not maintained by the authority in pursuance of arrangements made under Section 78 of the Act, and for students who have not attained the age of eighteen years in full-time attendance at establishments for further education in receipt of grant from the Minister.

(2) No grant shall be paid under this regulation in respect of any milk provided or purchased which is in excess of the appropriate quantities prescribed for pupils in maintained schools by regulation 7 of the Provision of Milk and Meals Regulations, 1945(**a**), as amended by the Provision of Milk and Meals Amending Regulations, 1959(**b**).

Premises Grant

5. Subject to the provisions of these regulations, the Minister shall pay grant at the rate of one hundred per cent. in respect of the approved net recognisable expenditure incurred by an authority in connection with the provision of dinners at maintained schools—

(*a*) in establishing and equipping premises;

(*b*) in purchasing vehicles;

(*c*) in replacing vehicles and other approved items of equipment;

(*d*) in establishing premises for a purpose other than the provision of dinners in order to replace premises diverted for the purpose of providing dinners; and

(*e*) in discharging any liability relating to the reinstatement of premises which arises when an authority discontinues the temporary use thereof for the provision of dinners.

Dinner Grant

6.—(1) In respect of dinners at maintained schools the Minister shall fix unit costs for both food and overhead costs for each authority after the 31st October in the year to which they relate.

(2) In fixing unit costs the Minister shall take into consideration any relevant information submitted to him by the authority not later than the 31st October in that year.

(3) The Minister shall not vary the unit costs so fixed except in so far as, in his opinion, variation is necessitated by reason of contingencies of an exceptional nature outside the control of the authority.

7.—(1) Subject to the provisions of these regulations, the Minister shall pay grant at the rate of one hundred per cent. in respect of the net recognisable expenditure incurred by an authority in providing dinners at maintained schools.

(2) For the purposes of this regulation the recognisable expenditure of an authority shall be deemed to be the sum of—

(*a*) either the running expenditure on food for dinners or the product of the number of dinners served in the year and the unit cost for food fixed by the Minister as hereinbefore provided, whichever is the less; and

(a) S.R. & O. 1945/698 (Rev. VI,p. 380: 1945 I, p. 336).

(*b*) either the running expenditure on overhead costs or the product of the number of dinners served in the year and the unit cost for overhead costs fixed by the Minister as hereinbefore provided, whichever is the less.

(3) The number of dinners shall be calculated for the purpose of this regulation in such manner as the Minister may from time to time approve in respect of any authority.

8. Subject to the provisions of these regulations, the Minister shall pay grant at the rate of one hundred per cent. in respect of the net recognisable expenditure incurred by an authority in connection with schools other than maintained schools—

(*a*) in securing the provision of dinners for pupils in pursuance of approved arrangements made under Section 78 of the Act; and

(*b*) in giving assistance towards expenses for dinners of pupils in pursuance of approved arrangements made under Section 81 of the Act and any regulations thereunder.

Payment of Grant

9.—(1) The grant for which these regulations provide shall be payable for each year.

(2) A sum estimated to amount to ninety per cent. of the grant payable for the year shall, subject to the provision by Parliament of the necessary moneys, be paid by monthly instalments on account during the year.

(3) After the end of the year such further instalments as the Minister may think fit, based on returns required by him for the purpose, may be paid before final adjustment.

(4) The inclusion by the Minister of expenditure for the purpose of calculating any instalments of the grant will not commit the Minister to recognise such expenditure for the purposes of these regulations.

(5) The balance of the grant shall be paid after such audited accounts and other returns as may be required by the Minister for the purpose have been received and examined.

(6) The grant shall be calculated to the nearest pound, a fraction of a pound in the final result being ignored or reckoned as a pound according to whether it is, or is not, less than ten shillings.
