EXPLANATORY NOTE

(This note is not part of the Order)

This Order further amends the Milk Quota (Calculation of Standard Quota) Order 1986, which prescribes the quota per hectare and the average yield per hectare to be taken into account in determining the standard quota for the purposes of calculating the payment which a tenant in England and Wales is entitled, in certain circumstances, by Schedule 1 to the Agriculture Act 1986 to obtain from his landlord in respect of milk quota on the termination of the tenancy of the land.

This Order substitutes for the Schedule to that Order a new Schedule, in which the quota per hectare prescribed by article 3 of that Order is revised (article 2).
