EXPLANATORY NOTE

(This Note is not part of the regulations.)

To preserve certain provisions of the Motor Vehicles (Competitions and Trials) (Scotland) Regulations 1966, which are affected from 16th May 1967 by the provisions about classification of roads contained in section 28(4) of the Local Government (Scotland) Act 1966, these regulations delete from those regulations, from that date, the references to "Class I" roads and substitute references to "A" roads, i.e., roads whose route numbers are prefixed by the letter "A". Since the route numbers of trunk roads are prefixed in the same way the same reference is being substituted for references to trunk roads.
