EXPLANATORY NOTE

(*This Note is not part of the Regulations.*)

1. These Regulations further amend the Motor Vehicles (Designation of Approval Marks) Regulations 1976 (by which the Secretary of State designated, as approval marks, markings which are deemed for the purposes of the Trade Descriptions Act 1968 (c.29) to be a trade description, whether or not the markings fall within the definition of that expression in section 2 of that Act).

2. These further amendments:—

(1) designate further approval marks in relation to motor vehicles approved in respect of radio interference suppression (item 35A in Schedule 2 to the 1976 Regulations), rear fog lamps (item 77 in that Schedule) and speedometers (item 78 in that Schedule), and

(2) make minor alterations in relation to markings already designated as approval marks so that the correct dates of the coming into operation of ECE Regulations 15, 30, and 37 are specified.
