Driving Tests

4.—(1) For the purposes of the Act and of these Regulations, a person shall be deemed to have passed the test of competence to drive a motor vehicle of a particular class or description if he has been tested by a testing authority on a motor vehicle of that class or description and if he has satisfied the person conducting the test—

(*a*) that he is fully conversant with the contents of the Highway Code;

(*b*) generally, that he is competent to drive without danger to and with due consideration for other users of the road, a motor vehicle of the same class or description as that on which he is tested; and

(*c*) that he is able to comply with such of the additional requirements specified in the Third Schedule as are enumerated in the third column of the Second Schedule opposite to the Group containing the class or description of motor vehicle in respect of which he is being tested:

Provided that if in the case of a disabled driver his test proves his ability to drive motor vehicles of a particular construction or design only, he shall not be deemed to have failed to pass the test by reason only of the fact that he was not tested on a motor vehicle of that construction or design.

(2) A person who has passed the test of competence to drive a class or description of motor vehicle comprised in any one of the Groups specified in the first two columns of the Second Schedule shall be deemed also to have passed the test of competence to drive any other class or description of motor vehicle comprised in that Group or in a Group specified opposite to the first-mentioned Group in the fourth column of the said Second Schedule.

(3) A licence (not being a provisional licence) or a certificate of competence to drive issued by a competent authority in Great Britain shall, for the purposes of the granting of licences in Northern Ireland to persons holding such documents, be regarded as having been issued under the Road Traffic Acts (Northern Ireland) 1926 to 1964.

(a) 16 & 17 Geo. 5. c. 31 (N.I.)

(*b*) if the test he passed was in respect of vehicles of a class or description comprised in Group 1 specified in the Second Schedule, be deemed to have passed a test in respect of a class or description of vehicles which includes mopeds and motor tricycles not equipped with means of reversing;

(*c*) if the test he passed was in respect of vehicles of a class or description comprised in Group 7 specified in the Second Schedule, be deemed to have passed a test in respect of a class or description of vehicles which includes motor tricycles equipped with means of reversing.

(6) Nothing in the foregoing paragraph shall be deemed to authorise the grant of a licence to any person authorising him to drive a vehicle of a class or description or construction or design in a case where he is not entitled to the grant of such a licence by virtue of the provisions of Section 16 of the Act either as a result of his failing to pass a test to which he has claimed to be subjected under the said Section 16 (whether taken before or after the coming into operation of these Regulations) or as the result of any such test proving his fitness to drive vehicles of a particular construction or design only.

EXPLANATORY NOTE

(This note is not part of the Regulations but is intended to indicate their general purport.)

These Regulations consolidate, with amendments, the existing Northern Ireland Regulations dealing with the issue and renewal of driving licences, driving tests and other associated matters. The principal changes are as follows: —

1. New groupings of vehicles for driving tests and licence purposes are introduced, subject to safeguards for existing licence holders. Under the new groupings there will be separate tests for certain motor tricycles, for mopeds and for certain vehicles propelled by electric power. Provision is made for treating as competent to drive these vehicles persons who have passed the test in respect of certain other groups. (Regn. 4(1), (2) and (5)).

2. It is provided, in accordance with Section 32(1) of the Road Traffic Act (Northern Ireland) 1964, that the driving test fee shall be in respect of the appointment rather than the test, so that the fee need not be refunded except in the circumstances envisaged in Section 32(2) of the Act. The notice which a candidate should give of his cancellation of an appointment is prescribed as three full working days. (Regn. 10).
