EXPLANATORY NOTE

(This note is not part of the Regulations)

1. These Regulations further amend the Motor Vehicles (Type Approval and Approval Marks) (Fees) Regulations 1984 in the following ways–

(a) Regulation 3(a) corrects an omission from the Note at the head of Schedule 1. The particulars of Directive 80/780/EEC are to be found in the Motor Vehicles (Designation of Approval Marks) Regulations 1979 as amended(**a**).

(b) Regulation 3(b) inserts new entries in Schedule 1 as a consequence of new or amended ECE Regulations: 1, 7, 8, 13, 20, 36 and 43.

(c) One of the requirements for fee number 0100G, Item 6 to Schedule 1 to the Great Britain Regulations (the Motor Vehicles (Type Approval) (Great Britain) Regulations 1984(**b**)) has been defined as relating to the requirement immediately preceding it in the Schedule, ECE Regulation 1 as revised and corrected up to 30th June 1985. This distinguishes fee number 0100G from fee number 0120H where item 6 to Schedule 1 to the Great Britain Regulations is defined as relating to ECE Regulation 1 as revised on 18th March 1986.

(d) Regulation 3(d) substitutes new fees for certain fees listed in Schedule 1 following re-calculation of the number of man-hours required for the tests listed.

2. Copies of the ECE Regulations and EEC Directives referred to in these Regulations may be obtained from Her Majesty's Stationery Office.
