EXPLANATORY NOTE

(This Note is not part of the Regulations.)

These Regulations amend the Motor Vehicles (Type Approval and Approval Marks) (Fees) Regulations 1976:—

(*a*) by inserting a new paragraph which provides that where the test of a vehicle or vehicle part cannot be satisfactorily completed, or the vehicle or vehicle part does not satisfy completely the requirements of the test, so that the relevant type approval certificate and authorisation cannot be issued, and where, in consequence, a further, but partial, test is required, an appropriate proportion of the relevant fee prescribed by the 1976 Regulations for the particular test shall be payable for the partial test; and

(*b*) by replacing Schedule 1, which lists the fees for the testing of vehicles or parts of vehicles, by the revised Schedule 1 set out in the Schedule to these Regulations. The main changes in the fees are as follows:—

(1) references to further EEC Council Directives are included in column (2) in the entries relating to fees, numbers 38, 99 to 109;

(2) references to an additional ECE Regulation and to two amending ECE Regulations are inserted in column (2) in the entries relating to fees, numbers 27, 28, 29, 48, 61, 62 and 63;
