EXPLANATORY NOTE

(This note is not part of the Regulations)

These Regulations amend the National Health Service (Charges to Overseas Visitors) (Scotland) Regulations 1982 ("the principal regulations") by increasing, by an average of 9.6% for in-patients and 6.1% for out-patients, the sums prescribed in Schedules 2 and 3 to the principal regulations as charges to certain overseas visitors for services forming part of the health service. They also alter at item 2 of Schedule 3 to the principal regulations the classification of day cases so as to draw a distinction between those receiving treatment on one day only and those who attend on more than one day as part of a course of regular treatment.

These Regulations also revoke earlier amending regulations which increased prescribed sums.
