EXPLANATORY NOTE

(This note is not part of the Regulations.)

These regulations amend the definition of "educationally approved post" in Regulation 5(5)(*a*)(i) of the National Health Service (Vocational Training) (Scotland) Regulations 1980 ("the 1980 Regulations").

In terms of that regulation such a post is defined as being a post in a hospital or with a Health Board in Scotland employment in which was, immediately before the day on which the 1980 Regulations were made, approved by the Postgraduate Medical Education Committee for the purposes of training for the provision of general medical services.

These regulations amend the definition by substituting for the reference to the date on which the 1980 Regulations are made a reference to 16th January 1981.
