EXPLANATORY NOTE

(This Note is not part of the Regulations, but is intended to indicate their general purport.)

These Regulations amend the National Insurance (Classification) Regulations, 1948, by enlarging the existing provision whereby persons acting as occasional helpers to, or substitutes for, weavers of certain classes for not more than one day on each occasion are treated as non-employed persons under the National Insurance Act, 1946. The amendment allows persons to act, whether occasionally or otherwise, as helpers or substitutes on two days in a contribution week in any one mill without thereby becoming employed persons.

The preliminary draft of these Regulations was submitted to the National Insurance Advisory Committee in accordance with section 77 of the National Insurance Act, 1946, and their report thereon, dated the 18th December, 1948, is contained in the House of Commons Paper No. 54 published by His Majesty's Stationery Office.
