2. For the definition of "training scheme" in regulation 1(2) of the principal regulations there shall be substituted the following definition:

> " 'training scheme' means a scheme or arrangement under which a training allowance may be paid, not being a scheme or arrangement under which a training allowance is paid by any Government department to or in respect of a person by reason of the fact that he is following a course of full-time education or is training as a teacher."

Given under the Official Seal of the National Insurance Joint Authority this 9th day of May 1967.

(L.S.)

a person authorised by the National Insurance Joint Authority to act on behalf of the Secretary to the Authority.

EXPLANATORY NOTE

(This note is not part of the Regulations, but is intended to indicate their general purport.)

These Regulations further amend the National Insurance (Overlapping Benefits) Regulations (Northern Ireland) 1961 by substituting for the existing definition of "training scheme" a new definition which, to remove an anomaly, excludes allowances paid under certain schemes from the operation of the regulations.
