EXPLANATORY NOTE

(This Note is not part of the Order.)

This Order which is made under section 45 of the Finance Act 1983 provides for the suspension of certain loans made by the Secretary of State for the Environment to development corporations in England and by the Secretary of State for Wales to the development corporation in Wales and to the Development Board for Rural Wales. These loans are specified in the Schedule to the Order.

The effect of the Order is that no interest will accrue or become payable on the specified loans from 12th September 1983, the date of the coming into force of the Order, up to 30th September 1986 and no repayments of capital will fall due during that period. After 30th September 1986 payments of interest and repayments of principal will fall due as if there had been no break in the loan. The loan will therefore continue for the period which was unexpired on 12th September 1983 and sums will be payable under it on the dates corresponding to those in the original loan agreement.

No other loans have been specified by Order under section 45 of the Finance Act 1983.
