(a) 6 & 7 Eliz. 2. c. 69. (b) S.I. 1960/1248. (c) S.I. 1959/981 (1959 I, p. 695).
(d) S.I. 1959/982 (1959 I, p. 727).

EXPLANATORY NOTE

(This note is not part of the regulations, but is intended to indicate their general purport.)

The Opencast Coal (Annual Value in Special Cases) Regulations, 1959, as varied, prescribe the method of calculating the annual value of land affected by a compulsory rights order which, immediately before the order in question came into operation, was used for a purpose for which land would not normally be let from year to year or which was covered by a permission under Part III of the Town and Country Planning Act, 1947, or Part II of the Town and Country Planning (Scotland) Act, 1947, which allowed its use for such a purpose. They provide that the annual value of such land shall be such percentage of its market value as is for the time being prescribed by the regulations.

Regulation 6 of the Opencast Coal (Other Land) Regulations, 1959, as varied, contains similar provisions in relation to certain land affected by the requisitioning of other land for opencast operations.

The regulations revoked by regulation 2 of these regulations raised the prescribed percentage in each case from 6 per cent. to 7 per cent. These regulations lower the prescribed percentage in each case from 7 per cent. to 6 per cent.
