An Act to raise and apply Funds for the future Maintenance and Repair of the Banks of the River *Ouze* between *Denver Sluice* and the *Eau Brink Cut* in the County of *Norfolk*.

[30th *June* 1837.]

WHEREAS the Waters of the River *Ouze* between a Place called *Denver Sluice*, in the County of *Norfolk*, and a Cut called the *Eau Brink Cut*, in the same County, are confined by Banks, which form the Protection and Security from Inundation of many Thousand Acres of adjoining Fen and Marsh Land, and the Maintenance and Repair of the same Banks are of great public Importance: And whereas an Act was passed in the First and Second Years of the Reign of His late Majesty King *William* the Fourth, intituled *An Act to alter, amend, and enlarge the Powers of the several Acts now in force relating to the new River or Cut from* Eau Brink *to* King's Lynn *in the County of* Norfolk, *called the* "Eau Brink Cut," *and to raise further Funds for carrying the said Acts into execution:* And whereas, in pursuance of the Provisions and Directions contained in the said recited Act, several Sums of Money, amounting in the aggregate to the Sum of Sixty thousand four hundred Pounds, have been paid by certain Commissioners of Drainage acting under the Authority of the said recited Act to certain Persons thereby constituted to act under the Denomination of *Ouze* Bank Commissioners; and the said *Ouze* Bank Commissioners were by the said recited Act directed

directed to apply the Sum of Ten thousand four hundred Pounds, Part of the said Sum of Sixty thousand four hundred Pounds, in payment of certain Charges therein mentioned, and also in satisfying any Claims or Demands which should be made upon them in relation to the Damage and Injury which such Banks had sustained within Three Years previous to the passing of the said recited Act; and the said last-mentioned Commissioners were directed, after Payment of any Costs which they might have sustained in obtaining the Payment and Provision made to them by the said Act, to pay and apply the Sum of Four thousand Pounds in and for the Execution of the several Works by the said Act authorized to be executed by them the said *Ouze* Bank Commissioners relative to the Four several Bridges over the said River *Ouze*, called *Downham Bridge*, *Stow Bridge*, *Magdalen Bridge*, and *St. German's Bridge*; and the Residue of the said Monies so paid as aforesaid, with any Interest paid thereon, and together with certain other annual Sums of Money also directed by the said Act to be paid to the said *Ouze* Bank Commissioners or their Treasurer under one other Act of Parliament passed in the Thirtieth Year of the Reign of His late Majesty King *George* the Third, intituled *An Act for empowering Persons navigating Boats, Barges, and other Vessels in the River* Ouze *in the County of* Norfolk *to hale or tow with Horses or other Beasts on the Banks or other Sea Walls of the said River, and for making Satisfaction to the Owners of the said Banks or Sea Walls*, were directed to be applied for the Execution of the several Works in and by the said first-recited Act authorized to be executed by them the said *Ouze* Bank Commissioners in relation to the said Banks of the said River *Ouze*, and in paying, satisfying, and discharging all Principal Monies borrowed by them the said *Ouze* Bank Commissioners, and all Interest due thereon, and all other Costs, Charges, and Expences of carrying into execution the several Works, Powers, Trusts, and Authorities vested in the said *Ouze* Bank Commissioners by the said first-recited Act: And whereas the said *Ouze* Bank Commissioners were in and by the said first-recited Act directed and required from Time to Time to make, do, construct, and execute all such Works, Acts, Matters, and Things as should from Time to Time be deemed necessary, proper, or expedient for putting the Banks and Bridges of the said River *Ouze* between *Denver Sluice* aforesaid and the upper End of the *Eau Brink Cut* in a permanent State of Stability and Security, and for constructing the Forelands and Slopes of the said Banks as far as practicable upon one uniform System, and to set back the said Banks where the Force of the Current or other Circumstances might require the same; and it is in and by the said first-recited Act directed that the Waterways of the said several Bridges should be extended on each Side of the River to such a Width as should be correspondent with the Width of the said River *Ouze* and the general Line of Banks thereof above and below the said Bridges respectively; and it is also provided that no Diminution of the Waterway of the said River should be made so as to reduce the same either in Width or Depth in any Part of the said River without such Consent as is therein mentioned: And whereas, in pursuance of the Powers, Authorities, and Directions of the said first-recited Act, the said *Ouze* Bank Commissioners have constructed and executed such Works, Acts, Matters, and Things as were deemed necessary

necessary and proper or expedient for putting the said Banks and Bridges in a permanent State of Stability and Security, and the Forelands and Slopes of the said Banks as far as practicable upon One uniform System, and have set back the said Banks where the Force of the Current or other Circumstances required the same, and they the said *Ouze* Bank Commissioners have also proceeded to extend the Waterways of the said several Bridges; but the whole of the said Works in respect of the Waterways of the said Bridges called *Downham Bridge* and *Magdalen Bridge* have not yet been completed, and it is necessary to make Provision for such Completion, and also for the future Maintenance and Support of the Banks and Forelands of the said River: And whereas it is expedient to make some Provision relative to the said Four several Bridges: And whereas some Parts of the said Banks are protected from the Effects of Breaches in other Parts thereof by internal Works and Defences, and it is therefore just and expedient that the Owners of Lands herein-after mentioned liable to Inundation by a Breach of the said Banks or any Part thereof should be chargeable with and liable to the Repair of such Banks in separate and distinct Districts as herein-after mentioned, and be enabled to raise distinct and separate Taxes on such Lands in such separate Districts for the Maintenance and Support of such Part of the said Banks respectively as may adjoin their said Lands; and that for such Purposes the Lands on the West Side of the said River should be divided into Four separate and distinct Districts, and the Lands on the East Side of the said River into Two separate and distinct Districts, and that the Owners of such Lands for the Time being on each Side of the said River should from Time to Time and at all Times hereafter repair and maintain the said Banks and Forelands on each Side of the said River in such distinct and separate Districts as aforesaid: And whereas the Funds now at the Disposal of the said *Ouze* Bank Commissioners under and by virtue of the Authority of the said first-recited Act are inadequate to the future Maintenance and Repair of the said Banks and Forelands, and it is therefore necessary and expedient to provide Funds for that Purpose, and also to vary, alter, or repeal certain Powers and Provisions contained in the said first-recited Act; but the same cannot be effected without the Aid and Authority of Parliament: May it therefore please Your Majesty that it may be enacted; and be it enacted by the Queen's most Excellent Majesty, by and with the Advice and Consent of the Lords Spiritual and Temporal, and Commons, in this present Parliament assembled, and by the Authority of the same, That all the Powers and Authorities by the said first-recited Act given to or vested in the said *Ouze* Bank Commissioners, or which the said *Ouze* Bank Commissioners might or could have exercised by virtue of the said Act or otherwise, shall, from and after the passing of this Act, wholly cease, determine, and be at an end to all Intents and Purposes whatsoever; and that the said *Ouze* Bank Commissioners, and their Servants and Officers, and every of them, shall be and they are hereby absolutely and for ever released and discharged of and from all and every such Powers and Authorities, and of and from all and every the Duties and Liabilities imposed upon them by the said first-recited Act, or in anywise relating thereto, except as herein-after mentioned.
