Column 1 Description of special characteristics.	Column 2 Description of paper by reference to the appropriate Section of Part I of this Schedule.
1. Substance lighter than the customary minimum substance.	Paper described in Sections III and IV, Duplex Envelope Paper and Blottings described in Section VIII. Cop Tube Papers (Dyed), Jacquard Middles, Felt Papers (Interlining and Carpet Underlay), M.G. Grocers' Caps (undyed) and M.G. Sugar Bag Papers (Dyed) described in Section XXIII.
