EXPLANATORY NOTE

(*This Note is not part of the Order.*)

This Order revokes, with effect from 6th October 1983, the Parasitic Mange Order 1938, which made parasitic mange a notifiable disease and contained provisions as to the detention and treatment of animals affected with, or suspected of being affected with, that disease or of animals which have been in contact with such animals. The 1938 Order also contained provisions relating to the exposure or movement of animals and cleansing and disinfection of plant, utensils and other things.
