## EXPLANATORY NOTE

*(This Note is not part of the Order, but is intended to indicate its general purport.)*

The Governments of the Malagasy Republic and the Republic of Senegal have given formal notice of their accession in their own right to the International Convention for the Protection of Industrial Property (as revised in Lisbon in 1958). They were previously Convention countries as French Colonies.

This Order discharges the Convention obligations of the United Kingdom, which is a party to the Convention, by declaring these countries to be Convention countries for all the purposes of the Acts relating to Patents, Designs and Trade Marks.
