EXPLANATORY NOTE

(This Note is not part of the Order, but is intended to indicate its general purport.)

The Government of the Republic of Niger has given notice of its accession in its own right to the International Convention for the Protection of Industrial Property (as revised in Lisbon in 1958). Niger was previously a Convention country as a French Colony.

This Order discharges the Convention obligations of the United Kingdom, which is a party to the Convention, by declaring the Republic to be a Convention country for all the purposes of the Acts relating to Patents, Designs and Trade Marks.
