ANNO DUODECIMO & DECIMO TERTIO

VICTORIÆ REGINÆ.

***

to alter, amend, and enlarge the Powers and Provisions of Two several Acts of the Eleventh Year of the Reign of King George *the Fourth and First Year of the Reign of King* William *the Fourth, and Fourth and Fifth Year of the Reign of King* William *the Fourth, for improving the Port and Harbour of* Perth, *and the Navigation of the River* Tay *to the said City:* And whereas by the said first-recited Act the Commissioners thereby appointed were authorized to deepen the said River *Tay* from the Ford or Shallow called the *Town's Ford* to *Friarton* in manner therein particularly specified, and to levy the several Rates and Duties for the Use of the said Port and Harbour of *Perth* contained in the Schedules thereunto annexed, and also to borrow, upon the Credit of the said Rates and Duties, any Sum or Sums of Money not exceeding Sixteen thousand Pounds Sterling: And whereas by the said second-recited Act the Commissioners thereby appointed were specially authorized to carry into execution the several Works and Operations contemplated and authorized by the said first-recited Act, and in addition thereto to erect a Tide Harbour, a Dock or Docks, either a Dry or a Wet Dock or Docks, with a Canal or Canals, Cuts, Entrances, or other Accesses thereto, and all necessary Works and Conveniences, and also to levy the Rates and Duties contained in the Schedules thereunto annexed in lieu of the Rates and Duties authorized to be levied by the said first-recited Act, and to borrow any Sum or Sums of Money not exceeding the additional Sum of Thirty-four thousand Pounds Sterling upon the Credit and Security of the said Rates and Duties; and it was enacted, that the Time and Period for the Execution of the Works by the said first and second recited Acts authorized to be executed should be extended to the Period of Five Years from and after the passing of the said second-recited Act for deepening and improving the Navigation of the River beyond the Bounds to which the said first-recited Act applied, and Twenty Years from and after the passing of the said second-recited Act for the Execution of the other Works and Operations, such other Works and Operations being always to be executed upon Lands, Grounds, or Heritages which should be at the Time the Property of the Community of the City of *Perth*, or of the said Commissioners; and it was also thereby declared not to be competent to the said Commissioners to proceed further in the Execution of the Works and Operations thereby authorized than to deepen and improve the Navigation of the said River *Tay*, and to form and complete the Tide Harbour thereby authorized to be made, formed, and erected, nor for these Purposes to expend, borrow, or take up at Interest any Sum exceeding the Sum of Fifteen thousand Pounds Sterling, beyond the Debt then incurred under the Authority of the said first-recited Act, until Compensation should be made or provided for, in Terms of the Directions in the said second-recited Act contained for that Purpose, to the Proprietors of Fishings, for any Damage that might be sustained by them in consequence of the Operations and Works executed by the said Commissioners; and it was by the said second-recited Act further enacted, that the Proprietors or Owners of Salmon Fishings situated in that Part of the River *Tay* to which the Operations authorized by both the said recited Acts extended, and the Lessees, Tenants, or Occupiers of the same, should be entitled to Indemnification for any Loss or Damage which their said Fishings might suffer or sustain in consequence of any such Operations, the Amount

of

of such Loss or Damage to be ascertained in the Manner by the said Act provided: And whereas by the said third-recited Act the said Commissioners were authorized to borrow, on the Credit of the Rates and Duties leviable at the said Port and Harbour, before Compensation should be made or provided to the Proprietors of Salmon Fishings in manner directed by the said second-recited Act, any Sum or Sums of Money not exceeding Six thousand Pounds Sterling in the whole, over and above the foresaid Sum of Fifteen thousand Pounds, and in addition to the Debt authorized to be contracted under the Authority of the said first-recited Act: And whereas the said Commissioners have, in pursuance of the Powers committed to them by the several Acts before recited, executed and carried on a Variety of Operations and Works for the Improvement of the Navigation of the said River and the Enlargement and Improvement of the Port and Harbour of *Perth*, and have also made Compensation to the Proprietors, Lessees, and Occupiers of Salmon Fishings, so far as demanded, for the Loss and Damage sustained by them during the Continuance of the said Operations for improving the Navigation of the River, and also during Five Years or Fishing Seasons immediately succeeding the Termination of such Operations, as directed by the said recited Acts, but no sufficient Provision has been made by the said recited Acts for the Payment of the Compensation to be made to the said Proprietors: And whereas the Tables of Rates and Duties authorized by the said second-recited Act have in some Instances been found defective, unequal in their Operation, and disproportioned to the relative Values of the Goods and other Commodities upon which the same are leviable, as well as to the Lengths of the Voyages made by Vessels charged with Tonnage Dues: And whereas it would be attended with Advantage to the Public if the Time allowed for the Completion of certain of the Works and Operations authorized by the said recited Acts were extended beyond the Period therein specified, and if the said Commissioners were authorized to borrow and take up at Interest such additional Sum or Sums of Money as may be found necessary for satisfying and paying the Amount of Compensation due to the Proprietors of Salmon Fishings as aforesaid, and if the said Rates and Duties were regulated, adjusted, and equalized as is herein-after provided; but as these Purposes cannot be effected without the Authority of Parliament, May it therefore please Your Majesty that it may be enacted; and be it enacted by the Queen's most Excellent Majesty, by and with the Advice and Consent of the Lords Spiritual and Temporal, and Commons, in this present Parliament assembled, and by the Authority of the same, That the Time allowed by the said recited Acts for the Execution of the Works and Operations thereby authorized to be made, done, and performed shall, excepting as to so much thereof as relates to the Operations for deepening and improving the Navigation of the said River *Tay*, be extended, and the same is hereby extended, to the Period of Twenty Years from and after the passing of this Act; provided always, that such Works and Operations shall only be executed in or upon Lands, Grounds, or Heritages which shall be at the Time the Property of the Community of the City of *Perth* or of the said Commissioners.

Time for executing certain of the Works authorized by former Acts extended.

II. And

Power to borrow additional Money for Purposes of this Act.

II. And be it enacted, That, in addition to the Sums of Sixteen thousand Pounds and Thirty-four thousand Pounds authorized to be borrowed and taken up by the said Commissioners by the said first and second recited Acts, the said Commissioners shall be and they are hereby authorized and empowered to borrow and take up at Interest in the Way and Manner provided for in the said recited Acts any Sum or Sums of Money not exceeding Thirty thousand Pounds Sterling, which in so far as necessary the said Commissioners shall be bound to expend and apply for the Purpose of making Compensation to the Proprietors of Salmon Fishings in Terms of the Provisions of the said recited Acts, with the Expenses of ascertaining the same, and the Expenses of obtaining this Act, and to no other Purpose whatever: Provided always, that all Bonds and Assignations in Security granted by the said Commissioners under and by virtue of the said recited Acts, and which shall be in force at the Time of the passing of this Act, shall have Priority over any Bonds and Assignations in Security to be granted hereafter for the Purposes of this Act.

Rights of Proprietors of Fishings reserved.

III. And be it enacted, That nothing herein contained shall be held or construed to impair or diminish the Rights of the Proprietors of Salmon Fishings to receive Compensation from the said Commissioners in the Way and Manner provided for in the said recited Acts, or to restrict the Liability of the Commissioners for Payment of the same.

All Sums to be borrowed on the Security of the Rates and Duties.

IV. And be it enacted, That all Sums of Money which the said Commissioners may hereafter borrow and take up at Interest, under the Powers in the said recited Acts and this Act contained, shall be so borrowed upon the Credit of the Rates and Duties hereby imposed, and set forth in the Schedules hereunto annexed; and the said Commissioners are hereby authorized and empowered to grant, assign, and set over the said Rates and Duties for the Security of the Party or Parties lending the Money or any Portion thereof; and when any Portion of the Sums of Money already borrowed for the Purposes of the said recited Acts, or which may hereafter be borrowed, shall be repaid, the said Commissioners shall be and they are hereby authorized and empowered, upon the Credit of the Rates and Duties hereby imposed, again to borrow and grant Assignments or other Securities for such Sum or Sums as may be necessary; and the Lord Provost, Magistrates, and Council of the City of *Perth* are hereby authorized and empowered to interpose the Security of the City and Common Funds thereof in guarantee of the Repayment of all Sums of Money to be hereafter from Time to Time borrowed by the said Commissioners in the Manner and to the Extent provided in the said recited Acts.

New Rates and Duties to be levied.

V. And be it enacted, That from and after the passing of this Act it shall be lawful to the said Commissioners and their Servants, and all such Persons as are, shall, or may be commissioned or employed by them, and they are hereby authorized and empowered, in lieu and instead of the Rates and Duties leviable under the said recited Acts or any of them, to demand and take upon every Ship, Vessel, Boat, Bark, or Lighter coming to or being within that Part and Portion of the

the Precincts of the said Port and Harbour of *Perth* which is situated to the Westward, or further up the River *Tay* than a Line drawn from a Point on the South Side of the said River immediately above the Junction of the River *Earn* with the said River *Tay* to the West End of the Dyke or Embankment on the North Side of the said River *Tay*, forming the Land March between the Estates of *Pitfour* and *Inchyra*, to receive or discharge a Cargo or Part of a Cargo, or sailing in Ballast within the said Precincts, the several Rates and Duties contained in the Schedule (A.) hereunto annexed, and also to demand and take from all and every the Owners and Proprietors of all Goods, Wares, Merchandise, and Commodities whatsoever which shall be imported or exported in any Ship, Vessel, Boat, Barque, or Lighter coming to and within or leaving the said Port and Harbour of *Perth*, or any Part or Place within the Precincts or Boundaries thereof last before mentioned, or which shall be brought, floated, or conveyed by Water within the said Precincts or Boundaries, or from the Agents, Factors, or Managers of such Owners and Proprietors, the several Rates and Duties which are specified and contained in the Schedule (B.) hereunto annexed, which Rates and Duties hereby authorized and granted shall, after paying the Expenses attendant on the procuring of this Act as after provided, and the Charge of collecting and Management of the Funds thence arising, be applied to and for the Purposes by the said recited Acts and this Act authorized, and all Persons from whom the said Commissioners have borrowed and taken up any Sum or Sums of Money shall have such and the like Security for Repayment over the Rates and Duties hereby authorized as they held over the Rates and Duties authorized by the said second-recited Act.

Provisions of 10 & 11 Vict. c. 27. incorporated with this Act.
