3. The maximum prices prescribed by the Order include delivery charges, except in the case of a sale to a retail customer. In this case the costs necessarily and properly incurred in delivery may be added to the maximum price prescribed.

4. The Second Schedule contains a revised list of specified repairs to perambulators for which maximum charges are prescribed therein. For other repairs the maximum charge is reduced. It is fixed at the aggregate of the cost of direct labour and materials and 80 per cent. thereof.

5. A retailer is required to display a notice of maximum prices and to attach tickets showing the maximum price. A repairer (including a person who procures the carrying out of repairs) is required to display a notice of maximum charges.
