A.D. 1905.

Aberystwyth.

(2) By way of collateral security for the repayment of any moneys borrowed under this Order and for the payment of the interest thereon the Corporation shall mortgage or charge their corporate property real and personal and the rents and profits derived from their Corporation lands and hereditaments or any part or parts thereof and the borough fund subject to any mortgages or charges thereon existing at the commencement of this Order and shall also charge (if necessary) the district fund and general district rate.

Mode of repayment of moneys borrowed under this Order.

14.—(1) The Corporation shall pay off all moneys borrowed by them on mortgage under the powers of this Order either by equal yearly or half-yearly instalments of principal or of principal and interest or by means of a sinking fund or partly by such instalments and partly by a sinking fund and the payment of the first instalment or the first annual payment to the said sinking fund shall be made within one year after the date of borrowing the sum in respect of which the payment is made.

(2) Money borrowed by the Corporation under this Order shall be repaid within the respective periods following (that is to say) :—

(*a*) Money borrowed for the purpose of paying off liabilities incurred by the Corporation in respect of new works which have been constructed by them in connexion with the harbour shall be repaid within forty years from the date or dates of borrowing the same ;

(*b*) Money borrowed for the purpose of paying the costs charges and expenses in section 27 of this Order mentioned shall be repaid within five years from the commencement of this Order.

Deficiency of revenue and borough fund to be a charge on district rate &c.

15. All expenses of and incidental to the maintenance of the harbour and all charges on the harbour revenue (including the payments required by section 12 subsection 2 (i) to (ix) inclusive of this Order to be made thereout) which the harbour revenue and the annual sum by section 18 of this Order required to be appropriated and set apart may be insufficient to defray shall be charged on and paid out of the district fund and general district rate of the borough and the Corporation shall include in each general district rate the amount (if any) which it is estimated may be required to cover the deficiency accruing during the currency of the rate or which is required to make up any deficiency which has occurred during any previous period.

Sinking fund to meet annuities.

16.—(1) The Corporation shall in the year ending the thirty-first day of March one thousand nine hundred and six and in every subsequent year appropriate and set apart out of the harbour revenue (if any) remaining after providing for the expenses mentioned in subsection 2 (i) to (vi) inclusive of section 12 of this Order to a fund (herein-after called "the annuities sinking fund") such an equal annual sum as will with the accumulations thereof by way of compound interest at a rate not exceeding three per centum per annum together with the sum of one thousand and seventy-seven pounds nineteen shillings and sixpence now standing to the credit of the annuities sinking fund and the accumulations thereof be sufficient to provide on the thirty-first day of March one thousand nine hundred and forty-five the principal sum of nine thousand seven hundred and forty-six pounds seventeen

shillings and sixpence (being the capitalised value of the annuities at twenty-five years' purchase).

(2) Every annual sum so appropriated and set apart to the annuities sinking fund shall be invested in some or one of the investments upon which trustees are for the time being by statute authorised to invest trust moneys other than securities of the Corporation or in the bonds debentures debenture stock or other securities (not being annuity certificates or securities payable to bearer) duly issued by any local authority as defined by section 34 of the Local Loans Act 1875 other than the Corporation and shall be increased by accumulation by way of compound interest.

(3) The annuities sinking fund shall be applied in the purchase and redemption of such of the annuities as the Corporation may from time to time be able to purchase by agreement.

(4) If and so soon as the annual income of the annuities sinking fund shall be equal to the annual sums payable in respect of the annuities no further appropriation shall be made towards the annuities sinking fund.

(5) Sections 37 and 38 of the Act of 1874 are hereby repealed.

Sinking fund to meet moneys borrowed under this Order.

17.—(1) If any money borrowed under this Order is to be repaid by means of a sinking fund the Corporation shall in each year ending the thirty-first day of March after the date of the borrowing of those moneys appropriate and set apart out of the surplus harbour revenue (if any) after providing for the expenses mentioned in subsection 2 (i) to (vii) inclusive and (ix) of section 12 of this Order to a fund (herein-after called "the 1905 sinking fund") such a sum as will with the accumulations thereof by way of compound interest be sufficient to pay off the whole of the principal moneys borrowed under this Order and to be repaid by means of a sinking fund within the respective period prescribed in that behalf by this Order.

(2) Every sum appropriated and set apart to the 1905 sinking fund shall be invested in some or one of the investments in which trustees are for the time being by statute authorised to invest trust moneys other than securities of the Corporation or in the bonds debentures debenture stock or other securities (not being annuity certificates or securities payable to bearer) duly issued by any local authority as defined by section 34 of the Local Loans Act 1875 other than the Corporation.

(3) The Corporation may from time to time apply any portion of the 1905 sinking fund in or towards paying off the money for the repayment of which it was created.

Appropriation out of borough fund and general district rate.

18.—(1) The Corporation shall in the year ending the thirty-first day of March one thousand nine hundred and six and in every subsequent year in which the harbour revenue shall be insufficient to provide (*a*) the amount which ought to be appropriated towards the sinking fund by the Act of 1874 required to be provided for the payment off of the 1874 loan (herein-after called "the 1874 sinking fund") (*b*) the amount which ought to be

A.D. 1905.

Aberystwyth.

appropriated towards the annuities sinking fund (*c*) the annual payment mentioned in subsection 2 (ix) of section 12 of this Order as from the date when that annual payment is by subsection 3 (iv) of this section required to be made and (*d*) the annual instalment of principal or of principal and interest which ought to be repaid in respect of the moneys borrowed under this Order and the sum (if any) which ought to be appropriated towards the 1905 sinking fund appropriate and set apart the annual sum of eighteen hundred pounds or such smaller sum as is required to provide the sums mentioned in subsection (3) of this section.

(2) One thousand pounds part of the annual sum by the last preceding subsection required to be appropriated and set apart shall be appropriated out of the rents and profits derived from the Corporation lands and hereditaments or any part or parts thereof and out of the borough fund and the residue of the said annual sum shall be appropriated out of the general district rate.

(3) The annual sum by subsection (1) of this section directed to be appropriated and set apart shall be applied in manner following:—

(i) In contributing to the 1874 sinking fund the whole or such part as the harbour revenue is insufficient to meet of the sum which ought in each year to be appropriated towards the 1874 sinking fund:

(ii) In contributing to the annuities sinking fund the whole or such part as the harbour revenue is insufficient to meet of the annual sum which ought in each year to be appropriated towards the annuities sinking fund:

(iii) In payment off in the year ending the thirty-first day of March one thousand nine hundred and ten and in each of the ten then next succeeding years of one equal eleventh part of the sum of eight thousand nine hundred and ninety-seven pounds sixteen shillings and sevenpence (which represents the present overdraft and liability of the Corporation in respect of past deficiencies of the revenue derived from the harbour undertaking in the Act of 1874 mentioned) and in payment of the interest payable on so much of the said sum of eight thousand nine hundred and ninety-seven pounds sixteen shillings and sevenpence as for the time being remains owing and unpaid by the Corporation:

(iv) In payment of the annual instalment of principal or of principal and interest which ought to be repaid in respect of the moneys borrowed under this Order and of the sum (if any) which ought to be appropriated and set apart towards the 1905 sinking fund.

Deficiency to be provided for by general district rate.

19.—(1) If in the year ending the thirty-first day of March one thousand nine hundred and six or any subsequent year the rents and profits derived from the Corporation lands mentioned in Part II. of the Act of 1874 or any part or parts thereof and the borough fund (after providing for the interest on any prior incumbrances on the borough fund)

shall be insufficient to produce the said annual sum of one thousand pounds by the second subsection of section 18 required to be appropriated and set apart thereout the Corporation shall in the year in which such deficiency arises or is estimated to arise levy by way of addition to the general district rate of the borough a rate of such amount as shall be necessary to make up the deficiency and the proceeds of such rate shall be applied in making good the said deficiency.

(2) The Corporation in preparing the estimates of the amount required in their judgment to be raised by means of a general district rate for the purposes of the borough shall include therein as well the sum required to be appropriated under section 18 subsection (2) of this Order as such sum (if any) as in their judgment is necessary to be provided to cover any deficiency from time to time arising or expected to arise as well under this section as under section 15 of this Order so that as far as practicable any such deficiency shall be made good within the year in which it arises.

Application of sections of Public Health Act 1875. 38 & 39 Vict. c. 55.

20. Sections 236 237 238 and 239 of the Public Health Act 1875 shall apply to all mortgages made under this Order but in those sections as so applied the word "rates" shall mean the harbour revenue and the borough fund.

Protection of lenders.

21. Any person advancing money to the Corporation for the purposes of this Order shall not be bound to require any further or other evidence of the power of the Corporation to borrow the money advanced by such person than such as is afforded by a certificate signed by the town clerk of Aberystwyth that the Corporation are not exceeding the powers of borrowing conferred on them by section 13 of this Order and by an inspection of the register of mortgages by section 237 of the Public Health Act 1875 required to be kept by the undertakers.

Application of money borrowed.

22. Every part of the money borrowed under this Order shall be applied only for the purposes of this Order to which capital is properly applicable and not otherwise.

Prior securities saved.

23. Nothing in this Order contained shall prejudice or affect the priority of the annuities created or any sums borrowed under the Act of 1874 and respectively remaining unpaid at the commencement of this Order or the security therefor.

Annual return to Local Government Board.

24.—(1) The town clerk of Aberystwyth shall within two months after the expiration of each year during which any sum is required to be paid as an instalment or set apart for any of the sinking funds in this Order mentioned transmit to the Local Government Board a return in such form as may be prescribed by that Board and verified by statutory declaration if so required by that Board showing the amount which has been paid as an instalment or invested for the purpose of any such sinking fund during that year and the description of the securities upon which the amount has been

invested and also showing the purposes to which any portion of the moneys invested for the sinking funds and the interest thereof have been applied during that year and the total amount of any moneys repayable by instalments remaining unpaid and the total amount remaining invested in respect of each sinking fund respectively at the end of that year.

(2) The town clerk in the event of any wilful default in making the return under this section shall be liable to a penalty not exceeding twenty pounds and that penalty shall be paid to the Local Government Board and shall be recoverable by that Board in a summary manner.

(3) If it appears to the Local Government Board by the return under this section or otherwise that the Corporation have failed to set apart in accordance with the provisions of this Order any sum required by this Order for the respective sinking funds or have applied any portion of the moneys set apart for any of those funds or any interest thereof to any purposes other than those authorised by the Act of 1874 as by this Order amended and by this Order respectively the Local Government Board may by order direct that a sum not exceeding double the amount in respect of which the default has been made shall be set apart and invested as part of that sinking fund respectively and such order shall be enforceable by writ of mandamus to be obtained by the Local Government Board out of the High Court.

(4) Section 40 of the Act of 1874 is hereby repealed.

Miscellaneous.

Saving rights of Crown.

25. Nothing in this Order shall affect prejudicially any estate right power privilege or exemption of the King's most Excellent Majesty and in particular nothing herein contained shall authorise the Corporation to take use or in any manner interfere with any portion of the shore or bed of the sea or of any river channel creek bay or estuary or any land hereditaments subjects or rights of whatsoever description belonging to His Majesty in right of His Crown and under the management of the Commissioners of Woods or of the Board of Trade respectively without the consent in writing of the Commissioners of Woods or the Board of Trade as the case may be on behalf of His Majesty first had and obtained for that purpose (which consent such Commissioners and such Board are hereby respectively authorised to give).

Costs of Order.

26. All costs charges and expenses of and incidental to preparing and obtaining this Order or otherwise incurred in relation thereto (the same to be taxed by the proper officer) shall be paid by the Corporation out of money borrowed for the purpose under the provisions of this Order.
