Made - - - -	3*rd December* 1962
Laid before Parliament	11*th December* 1962
Coming into Operation	31*st December* 1962

Whereas the Poisons Board has recommended to me that the list of substances which are to be treated as poisons for the purposes of the Pharmacy and Poisons Act 1933(a) should be amended so that certain additional substances should be included in Part I of the said list (which Part specifies those poisons which, subject to the provisions of the said Act, are not to be sold except by a person who is an authorised seller of poisons) and so that certain other additional substances should be included in Part II of the said list (which Part specifies those poisons which, subject to the provisions of the said Act, are not to be sold except by a person who is an authorised seller of poisons or whose name is entered on a local authority's list) and so that a variation of nomenclature should be made in Part I of the said list:

Now, therefore, in pursuance of section 17 (5) of the said Act, I hereby order as follows:—

1. The Poisons List(b) shall be amended and varied as follows, that is to say:—

(*a*) Part I shall be amended and varied in the manner specified in Schedule 1 to this Order;

(*b*) In Part II, in the item commencing with the words "Phosphorus compounds, the following", after the word "dimefox" there shall be inserted the words "endosulfan, ethion", after the word "mazidox" there shall be inserted the word "mecarbam" and after the word "parathion" there shall be inserted the word "phenkapton";

and accordingly the list of substances which are to be treated as poisons for the purposes of the Pharmacy and Poisons Act 1933 shall be as set out in Schedule 2 to this Order.

2. This Order may be cited as the Poisons List Order 1962 and shall come into operation on 31st December 1962.

EXPLANATORY NOTE

(This Note is not part of the Order, but is intended to indicate its general purport.)

This Order adds certain substances to the Poisons List, the substances added to Part I being specified in Schedule 1, paragraph (i), and those added to Part II in Article 1 (*b*). Paragraph (ii) of Schedule 1 makes a change of nomenclature, not a change of substance.

The complete list, as amended by this Order, is set out in Schedule 2, the poisons which appear in the list for the first time and the poison which appears under a new name (prolintane) being printed in **heavy type.**
