EXPLANATORY NOTE

(This Note is not part of the Order, but is intended to indicate its general purport.)

This Order adds certain substances to Parts I and II of the Poisons Schedule, the substances added being set out in, respectively, paragraphs 1 and 2 of the First Schedule: in certain cases an item inserted in Part I comprises items already in that Part, and references to the last-mentioned items are now therefore omitted (First Schedule, paragraph 1(*b*), (*e*), (*k*) and (*t*)); certain changes of nomenclature are effected (First Schedule, paragraphs 1(*f*) and 2(*a*) and (*c*)); the substances fluoroacetamide and fluoroacetanilide are transferred from Part II to Part I (First Schedule, paragraphs 1(*i*) and 2(*b*)). The complete list as amended by this Order is set out in the Second Schedule, the poisons which appear in a Part of the list for the first time or under a new name being printed in *heavy type*.
